NEWS FROM TOWN HALL

TOWN STAFFING UPDATE: by Town Manager Yvonne Kimball

In February 2015, I wrote an article about the town employees. Over a year has passed, there are some changes to our team. I would like to give an update of our employees.

Let us start with me, Yvonne Kimball. I am the Town Manager and have been holding this position since January 2012. I am in charge of daily operation and supervise all town staff, except for the court personnel. I earned my Credentialed Manager designation through the International City/County Management Association (ICMA-CM) in 2014.

Judy Morgan, is the Town Clerk and has been employed by the Town for 10.5 years. Judy is the most tenured employee in the town's municipal history. Judy is a Certified Municipal Clerk (CMC). She consistently helps everyone around the office to make our jobs easier. Judy is also a Notary Public who, on behalf of the Town, can provide the notary service free of charge. Judy supervises Julie Gibson.

Julie Gibson started a few weeks ago and came to us from Michigan. She is at the front desk and is usually the first person greeting you and then directing you to the right person in the office to address your needs. Julie assists the Town Clerk with a variety of tasks such as records keeping, minutes recording and other administrative matters.

Penney (Bell) Hubbard is the key person handling permit in-take. She reports to Community Planner/Code Officer. She works closely with the Building Official, and the Public Works Supervisor. Penney has been with the town since September 2014.

The Town's Community Planner/Code Officer is Steven Brown. Steven began with the Town in August 2015. He handles Planning/Zoning and Code Enforcement. Under my supervision, Steven also runs various outreach programs. Most recently, he administered the free well-water test kits program. Many of our

residents met Steven through the program. Steven has been an American Institute of Certified Planner (AICP) for 26 years.

The Town's Building Official/Inspector is Don Roberts. Don began with the Town in July 2015. Don retired from the Yavapai County Building Safety Division, and has over 40 years of combined experience in the building industry. Don reviews the building plans and conducts inspections after Penney takes the applications in and processes them through Town Planner, Steven Brown, and other agencies for zoning clearances.

When it comes to right-of-way issues, Don and Steven work together with Ed Hanks, who is the Public Works Supervisor. Ed has been employed by the Town since 2010. He and his two-man crew take care of nearly 50 miles of Town's owned road and right-of-way.

Todd Hamilton and Troy Moffatt are the Public Works employees that report to Ed. I believe many of you have seen Ed, Todd and Troy in town, working on the roads. Rain or shine, snow or clouds, you can count on the Town's Public Works employees to be out and about making sure the roads are taken care of.

Many of you may not have met Deni Thompson, Town Accounting Supervisor and her Accounting Clerk, Mickey Moore. Deni and Mickey's job duties do not allow them to interact with the public as often as the rest of us. The Town's finance duties are performed at large by Deni and Mickey. Deni has been with the Town for four years while Mickey is a new addition to the team.

The Town's Magistrate Court is also located in Town Hall. There are two employees for the Court, Judge Catherine Kelley and Clerk Therese Christopher. The Court is open Tuesday, Wednesday and Thursday. Judge Kelley and Therese are both very helpful and understanding. In addition to in-house staff, the Town also engages professional firms as its extended staff for legal, IT and engineering needs.

I hope you find the above employee "hall of fame"

interesting. I am very grateful to this small but talented and caring team. I am also proud of what we can accomplish as a whole. If you have any questions about town employees' duties, please feel free to call me at 928-632-7362.

DEWEY-HUMBOLDT VOLUNTEER OF THE YEAR (2015) PROCESS:

Each day Dewey-Humboldt volunteers generously give their time and service to help others. Now here is your chance to give back by nominating a deserving individual in Dewey-Humboldt for his or her outstanding service through the town's Volunteer of the Year program.

Who is eligible? The nomination is open to all Dewey-Humboldt residents who have volunteered in 2015. Nominees need to have been volunteers for organizations that directly benefit the citizens of the Town of Dewey-Humboldt; the organization can be the Town Council, commission, and committees, including the Planning and Zoning Commission, Open Space and Trail Committee. Volunteers for the Town's Activity Center, Town Library, Historical Society, Humboldt Elementary School and other agencies that have programs benefiting the citizens of the Town of Dewey-Humboldt are also eligible.

Nomination Process: The process is simple. Nominations can be written on a piece of paper and submitted to Judy Morgan at the Town office by 5 pm Thursday, March 10, 2016. Only one nomination per paper please. On the nomination paper, please state the nominee's name (who you are nominating), volunteer organization (where the nominee volunteered at in 2015), and why you believe the individual should be nominated, such as how his/her efforts volunteering in the specific organization have made a profound difference in citizens' lives. Nomination papers can be dropped off at town office, submitted via email to judymorgan@dhaz.gov or faxed to 928) 632-7365.

Honoree Selection: A citizen committee will be formed to review the nominations after the nomination is closed in March. Nominees will be judged on their outstanding service to

the citizens of Dewey-Humboldt. All nominees will be recognized, with one being named "Volunteer of the Year". Additionally, a perpetual plaque hangs in the Town Hall lobby listing all people who have received this award.

The Honoree of the "Volunteer of the Year" Award, along with all that have been nominated, will be recognized at a council meeting and a community event to be held in May or June.

This is a wonderful way for the Town to express its sincere appreciation for our volunteers and, also, a great opportunity for volunteers to inspire others through your stories. If you know anyone who volunteers in the community, please let the Town know how he/she is doing a great job by nominating him/her. Keep those nomination papers coming in! Kindly contact the Town Clerk if you have any questions.

GRANT AVAILABLE TO CREATE DEFENSIBLE SPACE FOR YOUR HOME:

The Town of Dewey-Humboldt, in cooperation with the Central Yavapai Fire District (CYFD) are offering the opportunity for homeowners to create defensible space around their homes nearly free of charge.

The primary goal for Firewise landscaping is fuel reduction — limiting the amount of flammable vegetation and materials surrounding the home and increasing the moisture content of remaining vegetation. The home itself and everything around it up to 100 – 200 feet is known as the 'home ignition zone.' In areas across the country where the risk of wildfire is high, the home ignition zone extends up to 200 feet beyond the actual home structure.

Zone 1 encircles the structure and all its attachments (wooden decks, fences, and boardwalks) for at least 30 feet on all sides.

Zone 2 is 30 to 100 feet from the home, and plants in this zone should be low-growing, well irrigated and less flammable.

Zone 3 is 100 to 200 feet from the home and this area should be thinned, although less space is re-

quired than in Zone 2.

CYFD was recently awarded a 90/10 grant through Prescott Area Wildland Urban Interface Commission (PAWUIC) that expires September 30, 2017. CYFD will provide pre and post property assessments for creating defensible space to homeowners at their request. This includes photo documentation as well as a written recommendation of hazardous fuels to be mitigated. The homeowner will hire a licensed contractor to complete the recommended work. Upon completion, the property will be reassessed and the property owner can be reimbursed up to 90% of their expenses. The maximum reimbursement is 90% of \$1,000.00/acre, up to 1 acre.

For an appointment to discuss participation residents can call: CYFD at 928-759-9933.

COMMUNITY GROWTH PERMITS ISSUED:

The Town's Building Department issued the following "new residence" permits in January. This information is provided to indicate growth in the community.

- 0—Single Family Residence
- 2—Manufactured Homes
- 1—Building Renovation
- 8—Other (this includes any other remaining permitted projects).

DEWEY-HUMBOLDT HISTORICAL SOCIETY

Are you interested in the history of Dewey-Humboldt and the surrounding area? Have you ever passed by the old structures and looked at the smelter on your way to town, wondering what it would have been like to live in the early days of Humboldt with the town being so full of miners working the smelter, the train cars being used to carry 2,000,000 lbs. of pure copper from the smelter each month.

Did you know that in 1918 Humboldt had over 1,000 people, ten saloons, five restaurants, three hotels, various retail stores and three mining companies? You can learn about this part of history and more at the D-H Museum.

In addition to visiting the museum, you can take a self-guided tour that is called a Walk-Thru-Time that will bring you back to experience how it was in the early days.

The Dewey-Humboldt Historical Society would like to invite you to visit the D-H Museum. New indoor displays and outside exhibits have been recently completed, to bring you the great mining history of Humboldt and the ranching traditions of Dewey. We give private tours for groups. To schedule time for your organization please call 972-742-6304. The D-H Museum is open to the public from 10 a.m. – 4 p.m. Thursday, Friday and Saturday.

General Meetings are held second Wednesday of every month at 5:30 pm at the Little White Church behind the D-H Museum 12925 E. Main St, Humboldt.

CLOSURES ON GRANITE MOUNTAIN & THUMB BUTTE

PRESCOTT - On Feb. 1, Prescott National Forest officials implemented restrictions on climbing and other activities on the cliff faces of both Granite Mountain and Thumb Butte to protect peregrine falcon nest sites. The closures will last until July 15.

For Granite Mountain, it is prohibited to be upon any part of the rock cliff face or the rim above the rock face and extending 100 feet back from the edge of the cliff face by rock climbing or any other means of access. Trail 261 will remain open. On Thumb Butte, both the north and south climbing faces, the top of Thumb Butte, and the areas at the base of the climbing faces will be closed to entry. Trail 33 will remain open for hiking.

According to Arizona Game and Fish Department biologists, both peregrine nest sites were occupied last season. This nesting success indicates that these annual closures are providing the quality nesting habitat peregrines need to raise their young.

Peregrine falcons were once listed under the Endangered Species Act. They continue to be managed under the requirements of the Migratory Bird Treaty Act

If you have any questions about the peregrines and their management on Bradshaw District, please feel free to call Fletcher at 928-443-8020.
