REQUEST FOR ELECTRIC SERVICE

The undersigned does hereby request clearance for electric service. It is understood and agreed by the owner/tenant and contractor that this clearance and service will not be construed as permission to occupy or use the premises in any way other than as indicated below. If the building should be occupied, or if the electric service is used for purposes other than as indicated below, the Building Official or his agent, may request the utility company to turn-off the service. Neither the Town of Dewey-Humboldt nor the utility company will be held liable for any damages caused by this loss of electric service.
