Ground Water Advisory Committee (GRAC)  
Meeting Minutes  
September 18, 2008**

A meeting of the Dewey-Humboldt GRAC was held on Thursday September 18, 2008, at Town Hall at 2735 S. Hwy. 69, Dewey-Humboldt, Arizona at 10:05A.M. Chairman, Michael Randall presided. Members Jack Hamilton and Bob Bowman were in attendance. Len Marinaccio, Treasha deFrance and Don Tebbe were absent.

Chairman, Michael Randall called the meeting to order and led the pledge of allegiance.

**ANNOUNCEMENTS**

Since we did not have a majority quorum we could not pass any motions so did not approve August, 2008 minutes-

**OLD BUSINESS**

Talked about what was needed to get the water budget to the Town Council and if we needed to add anything to the documents.

**NEW BUSINESS**

Talked about if somebody should attend the ADWR meeting on Sept. 29 2008. Mr. Hamilton said he was going to try and attend.

Talked about the ADWR weather outlook. This report is a little misleading since very little summer rain gets into our aquifer, it is mainly concerned with water stored behind dams.

Talked whether we should recommend a position for the town to take on pumping water from the Big Chino to Prescott Valley. Did not reach any conclusion on this but we would want to oppose any loss of water that we would get if Prescott Valley changed on how they got rid of their affluent.

**PUBLIC COMMENTS**

None

**Current events**

Mr. Randall mentioned that today's local paper had an article on pumping water from the Big Chino Basin

**ADJOURN**

Meeting adjourned.
