COMMUNITY SURVEY 2016

Thank you to all members of the community who responded to the 2016 survey. The top issues and areas of concern have been identified, and we are now seeking to prioritize those items as best we can.

A single question survey was mailed out on May 19th. For those citizens who did not receive a survey by mail, you are invited to stop by Town Hall and fill out the questionnaire that will ask you to list in order of importance the topics of interest or concern identified in the 2016 Community Survey. The survey will be available at Town Hall until 4pm on Friday June 10th.

Thank you for your continued participation in this effort.

NEWS FROM TOWN HALL

By Yvonne Kimball, Town Manager

Town's contractor will begin the annual **Spring Chip Seal Project** in early to mid-June. The project will entail hot patch repairs that are needed in some locations prior to chip sealing the roads.

There will be message boards up in the areas of **Kachina Road** and **Highway 69** and **Foot-hills Road** and **Highway 169**, prior to the work beginning.

Please note the days that are scheduled and have the roads free of parked vehicles. Please anticipate minor delays and watch out for equipment and personal while driving in these areas.

For questions, please call Ed Hanks, Public Works Supervisor, at 632-7362.

Create Defensible Space for Your Home and Help your neighborhood become FIREWISE: As reported previously, the Town is cooperating with the **Central Yavapai Fire District (CYFD)** in achieving FIREWISE certification for the Town, starting with two neighborhoods (North East Foothills and Blue Hills). Town Council has endorsed the overall efforts to create "**FIREWISE**" communities for our town. The primary goal for FIREWISE landscaping is fuel reduction — limiting the amount of flammable vegetation and materials surrounding the home and increasing the moisture content of remaining vegetation. This is great program to prevent fire danger to yours and your neighbor's properties.

Grants are available for property owners to reach the goal of "FIREWISE". There may be homeowner insurance reductions for certified "FIREWISE" communities. The program will benefit individual property owners and the community as a whole.

To start off the process, CYFD has conducted FIREWISE need assessments for both targeted areas. The next step is to establish a neighborhood committee in order to design and implement a plan to

address the issues raised in the assessment plan. Town staff is calling for community members to join the FIREWISE Board. For the "FIREWISE" assessment reports or your participation on the FIREWISE Board, please call Steven Brown or Penney Hubbard at 632-7362. or email: Steven Brown at stevenbrown@dhaz.gov.

Town staff is hosting an informational meeting for the purpose of establishing a **Community Fire Wise Board** on June 3, 2016 at 6:30 pm. at Town Hall. Please come to the meeting and take charge in

being "FIREWISE".

Online permit fee payment is available. The Town is pleased to announce the recent addition of credit/debit card acceptance to our payment service for Permit fees.

This payment process will be accessed through the Town website www.dhaz.gov under the "Government" tab. Customers will be charged a convenience fee of \$2.50 or 3% of the total amount whichever is greater. We will continue to take cash and check payments. For questions regarding permit payments or using our new payment system, please call us at 928-632-7362.

2016 Town Elections: Every two years D-H residents elect three Council members and the Mayor. If you are interested in running for one of these positions contact the Town Clerk at 928-632-7362.

June 1st: Deadline for candidacy filing.

July 21st: Deadline for write-in candidate filing.

August 1st: Last day to register for Primary Election voting.

August 25th: Deadline for late vacancy write-in candidate filing.

August 30th: Primary Election.

COMMUNITY DEVELOPMENT CORNER

ACCESSORY DWELLING UNITS

Accessory Dwelling Units are permitted in the Town of Dewey-Humboldt and are often referred to as Granny Flats or Mother-in-Law units. Accessory dwelling units are subject to the following requirements:

(A) An accessory dwelling unit is permitted only on a minimum lot size of 70,000 square feet in the R1L and RMM Zoning Districts and a minimum lot size of 35,000 square feet in the R1 Zoning District, and on all lots in the RCU District where the minimum lot size is 87,120 square feet.

(B) Primary dwelling and accessory dwelling units shall both comply with the setback regulations set forth in § 153.069 Density Districts of this code.

(C) The accessory dwelling unit shall be serviced and metered by the primary structure electric utility hookups. Individual accessory dwelling unit septic systems may be approved where necessary in order to reduce sewer line extensions as authorized by the County Environmental Unit.

(D) The primary and accessory dwelling unit structures shall share a common driveway or entrance.

(E) An accessory dwelling unit structure shall not exceed 750 square feet in size or 25% of the total square footage of the primary structure living area under roof, whichever is greater.

(F) An accessory dwelling unit shall comply with the separation requirements set forth in the town Building, Fire and Municipal Codes.

(G) A kitchen facility is permitted in an accessory dwelling unit structure.

(H) An accessory dwelling unit shall be used to house a non-paying or non-reimbursing relative or guest.

COMMUNITY NEWS:

IT WAS A BEAUTIFUL DAY IN THE NEIGHBORHOOD

A small, but energetic group of students, staff and community members appeared for our second **Groom 'Til Noon** work party at Humboldt Elementary School on Saturday, May 14th.

We planted flowers in the pollina-

Four of the Perry family plant flowers in the pollinator bed with Lynn Schreiber's help.

tor garden, harvested peas, broccoli, spinach and cilantro, attended to the bird feeding stations, and had a Scavenger Hunt. Bart Brush planted more trees on the playground and a variety of native plants on Panda Hill.

The H and the Panda on Panda Hill were given new coats of paint

thanks to Student Council members who weeded around the stones and Jose Cordero who sprayed the paint with the help of his wife Carla Morales.

Members of Life Point and The Heights churches weeded and trimmed upper campus as part of the Ecumenical Day of Service.

Participants received Chipotle gift cards and students received Chipotle

Grow Books and Kits and plants from the garden.

The weather was lovely and the garden, native habitats and nature trails are flourishing. Come visit!

SIGNAL INSTALLATION ON SR 69 AT MAIN STREET IN HUMBOLDT BEGINS, AT LAST!

The Arizona Department of Transportation began a safety improvement project last week in Humboldt on State Route 69 which includes a new traffic signal at the intersection of Main Street and SR 69 (milepost 279). As work progresses, drivers may be impacted with limited turn lane access from SR 69 onto Main Street. Work hours are Monday through Thursday between 7 a.m. and 4 p.m.

This \$329,000 project consists of installation of new traffic signal system, construction of new sidewalk, sidewalk ramps, pavement markings and drainage improvements.

Work is expected to be complete by the middle of June. ADOT works to inform the public about planned highway restrictions, but there is a possibility that unscheduled closures or restrictions may occur. **Weather can also affect a project schedule.**

To stay up-to-date with the latest highway conditions around the state, visit the ADOT Traveler Information Center at www.az511.gov or call 511.

For more information about this project, please call Tricia Lewis at 928-606-2420 or email tlew-is@azdot.gov.

PIONEER DAY AT HES

The D-H Historical Society has hosted a **Pioneer Day** at the Humboldt Elementary school for the past 4 years. It is a day of full events bringing the History of Arizona to the students and staff of this school.

On May 12 pictures from the early years of Dewey and Humboldt, and artifacts and displays were brought in from the D-H Museum. The students had hands on with weaving, and Bryan from the Stitching Post helping the students learn about stamping some leather—which they were able to

keep for a remembrance. With Prospectors from the GPAA there to teach panning for gold, and Eric La Blanc, a working black smith, and Cerril doing spinning demonstrations, students observed first hand, and

bringing to life Sharlot Hall. Keeping everyone in the spirit of the Old West was Don Fernwalt doing some of his Cowboy Poetry Readings.

Students, teachers and demonstrators all had an amazing and fun day of learning and interacting with each other.

Before the school day ended students and teachers visited the D-H Museum and were taken on a "Walk Thru Time" a guided tour of Humboldt given by docents of the Museum.

The Dewey- Humboldt Historical Society would like to thank everyone who makes this day possible and keeping the History of Arizona alive for the students of today.

SOME THOUGHTS ON LIVING IN A RURAL COMMUNITY

By Mary Franks

One of the pleasures of living in a rural community like this is getting to see wildlife. There is a hillside across the road from where I live. Very often in the mornings I get to see a small herd of deer trailing across the hillside to the top just before a neighbors house. I have no idea where they go, and the numbers change from year to year. Anywhere from 5 to 10 does, a couple of fawns, and maybe a young buck. They aren't afraid but are leery of people. Sometimes I see them crossing the pavement that leads to 169.

There is a real peace, for me, in seeing them. I do hope that the time never comes when I can't.

PEPPERY TURNIP TREAT AND SPICY SKILLET TURNIP GREENS

From Jane Brody's Good Food Book & Add a Pinch recipes

2 tsp butter or margarine
 2 tbsp. honey
 1 lb. turnips, peeled (save the greens!) & finely diced,
 1/4 to 1/2 tsp freshly ground black pepper
 1 tbsp. minced fresh parsley (optional)

In a medium sauce pan, melt the butter or margarine and honey over moderately low heat. Add the turnips and pepper. Cover and cook until turnips are tender, about 12 minutes, stirring them once.

While you're waiting for the turnips to cook, drizzle 1 tbsp. olive

oil into a skillet over medium heat. Add 1 medium onion, cut into wedges, and cook until just tender, about 3 minutes. Then add 1/2 of the cleaned and chopped turnip greens. Allow to cook down and then add the remainder of the greens. Add 1/4 cup water, a pinch of brown sugar, and 1/8 tsp red pepper flakes.

When the turnips are browned lightly, sprinkle with parsley and serve with the greens on the side.

BUCKLE UP ARIZONA.... IT'S THE LAW!

In an effort to save more lives on Arizona's roadways, this month the Governor's Office of Highway Safety is partnering with the YCSO and local law enforcement agencies to enforce Arizona's seatbelt and child safety-seat laws.

"Law enforcement officers will be taking a zero tolerance approach on drivers who are in violation of state law," said Alberto Gutier, Director of the Governor's Office of Highway Safety.

Despite widespread efforts to educate drivers about the importance of wearing seatbelts, motor vehicles collisions continue to be the leading cause of death and serious injuries to the citizens of our state.

Regular seatbelt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. When worn correctly, seatbelts have proven to reduce serious crash-related injuries and deaths by about 50%. The proper and consistent use of child safety seats has been found to reduce the risk of fatal injury by 71% for infants (younger than 1 year old) and by 54% for toddlers (1 to 4 years old) in passenger cars. Properly installed booster seats reduce the risk for serious injury by 45% among children ages 4 to 8 years old.
