3. **Study Session.**

A. Finance Department Biannual Report (July 1, 2018 – December 31, 2018)

Possible topics of discussion include financial status

Town Accountant Mickey Moore made one correction to the report, there was some overtime in the wage line and a correction has been made. The budget is on track and a couple areas of the Court costs were a little higher than usual due to an increase in services. Ms. Moore explained a couple line items that needed clarification regarding an abatement line item with \$25,000 in it. There was further Council discussion.

Public Comment

Jack Hamilton believed the abatement was put in there because the Town Manger thought the abatement ordinance was going to pass and he put money in for that possibility.

B. Building Department Biannual Report (July 1, 2018 – December 31, 2018)

Possible topics of discussion include: building permits issued

Interim Town Manager Ed Hanks gave an overview of the last six months of the Building Department with 109 permits issued for a total of \$38,233. The total building permit valuation was \$1,904,692. There was a variety of permits from cell towers to use permits for solar. Mr. Hanks defined right of way permits as access permits for new homes, mailbox fees and new utilities. The Department is keeping up on the plan and inspection process and explained the temporary services being used.

C. Mayer Meals on Wheels 1st Biannual Accountability Report

[As defined by Accountability Contract between Town and MAMOW]

David Treadway, Vice President of the Mayer Area Meals on Wheels Board of Directors gave the report and introduced other members in attendance. He provided a sheet on the budget figures to Council. The average is about 13 people per day for this area, annually about 2,983, that includes frozen meals, and they deliver five days per week. Round trip delivery for this area is about 55 miles round trip. They are in need of volunteer drivers. The organization delivers approximately 43 meals per day for the entire area. The delivery area of the Dewey-Humboldt area was discussed. There was also discussion regarding the waiting list and how to expedite service.

D. Dewey-Humboldt Historical Society 1st Biannual Accountability Report

[As defined by Accountability Contract between Town and DHHS]

David Nystrom, President & Vice Chair of DHHS gave an overview of the leadership team, which is unchanged.

The mining equipment displays were successfully transitioned to Mortimer Farms. The 2018 Agua Fria Festival had a net income of \$4,400, which was up from 2016 and 2017. Woody Wampler was the guest of honor. Save the date of 9/21/19 for the next Agua Fria Festival. He invited the Town to continue as a sponsor. He gave an oversight of upcoming events. Mr. Nystrom thanked the Town Council for their support. Recently they were benefitted by a donation from the Betty Comfort family; a donation of the water tower on Main Street from the Kevin Leonard family and a \$1000 donation to support the stamp mill from the Carl Marsee family. They are still actively seeking a museum site. CM McBrady asked about the specifics of the Comfort endowment, which Mr. Nystrom noted as being property right below Humboldt Station on Hill Street and an approximate \$200,000 endowment. The DHHS Board has not yet met to discuss the endowment. The money will be used toward a museum or special exhibit. The Council will be advised how they decide to proceed.

E. Discussion and direction on Presiding Magistrate Judge Interview process

Interim Town Manager Ed Hanks informed Council that Judge Kelley went through and narrowed down the interview questions. There was Council consensus for each CM asking questions.

F. Discussion and direction on the next steps of the Town Manager recruitment process

Interim Town Manager Hanks and Council Member Timmons recused themselves from this agenda item.

Mayor Nolan requested that Council take a week to review the applications received and come back to discuss them at an Executive Session. Council chose to hold a Special Meeting on Friday, February 15th at 10:00 a.m. or Tuesday, February 19th at 4:00 p.m. to be determined by the Town Attorney's availability.

4. Special Meeting. Legal action may be taken.

A. Discussion regarding participation in Home Show (CAARF – Mayor Nolan)

Mayor Nolan gave an overview of his CAARF inquiring if the Town would like to participate in the Prescott Valley Home Show with a booth. There was Council consensus to not participate at this time.

B. Discussion regarding amending Town Code §30.109 (E)(6) to allow Public Comment through “call to the public” at Study & Special Sessions (CAARF – CM Collins)

Council Member Collins explained that she would like public input at every meeting, as there is no such thing as too much input from the citizens. Mayor Nolan explained the purpose of the Study Session and why there is no public comment. There was further Council discussion.

Public Comment

Jack Hamilton recommended doing away with Study Session and hold two Regular Meetings each month. CM Brooks made a motion to allow the Call to the Public at the Study Session and any Special Meeting, seconded by CM Collins. Mayor Nolan called for the vote: CM Brooks – aye; CM Collins – aye; CM McBrady – aye; VM Wendt – aye; and Mayor Nolan – nay. The motion passed with a 4 -1 vote.

Public Comment

Kelly Ruske spoke of liking CM Collins' idea of getting the citizens more active as a community. She recommended including the minutes of the town meetings on Facebook, although she was not sure if that could be done. She thought that comments made on FB could be brought to Council.

C. Discussion to create a Veteran monument (CAARF – Mayor Nolan)

Mayor Nolan gave an overview of his idea to have a Veteran's Memorial of a war dog statue erected in the Town. The artist would handle a fundraiser for the cause. There was Council discussion.

Public Comment

Jack Hamilton stated that, if this was of interest, it should be funded in next year's budget. There is an ARS 42.17-106 which states, the city or town shall not spend money for a purpose that is not in the budget. Most towns ignore it, the state does not do anything about it, but do you want to violate the ARS?

There was Council consensus to place this matter on hold.

D. Adoption of Ordinance 19-144 amending Title III Administration, Chapter 30 Town Council and Officials, Subchapter Council Meetings, §30.102 Study Sessions related to the Time of Study Sessions

Vice Mayor Wendt made a motion to approve the Adoption of Ordinance 19-144 amending Title III Administration, Chapter 30 Town Council and Officials, Subchapter Council Meetings, §30.102 Study Sessions related to the Time of Study Sessions, seconded by Lynn Collins. Mayor Nolan called for the vote: CM Brooks – aye; CM Collins – aye; CM McBrady – aye; VM Wendt – aye; and Mayor Nolan – aye. The motion passed unanimously.

Public Comment

Jack Hamilton noted that this ordinance was a little bit off. He spoke of an earlier motion regarding special sessions and that even Executive Sessions will now require public comment. He noted when things are not worded right you can get in trouble.

5. Adjourn. Meeting adjourned at 3:17 p.m.

3. **Study Session.** No legal action to be taken

A. Discussion regarding closure gates on Prescott Street Agua Fria River Crossing with Deputy Werckmann of Yavapai County Sheriff's Office

Interim Town Manager Ed Hanks spoke of the history of the closure gates stating that in the past, the gates would be closed and it could be days after the waters receded before they would be reopened.

Deputy Werckmann explained that they would be authorized to give a key to the Town Manager and a designee with both parties monitoring and reopening the gates in a timely manner.

There was further Council discussion regarding having a policy in place on who opens and closes the gates. The Interim Town Manager would get back to the Sheriff's Office on the details.

4. **Special Meeting.** Legal action may be taken

A. Interview and possible appointment of applicant to the Planning & Zoning Commission to fill one of two vacancies

C. Discuss hiring a company to do a demographic study (community store) (CAARF – Mayor Nolan)

Mayor Nolan gave an overview of his CAARF. He noted that this was the first step in attracting a grocery store or lumberyard. He was not in favor of waiting two years for the census results. The demographic study would provide details that are more significant.

Manager has been hired, seconded by CM Lance. Mayor Nolan called for the vote:

CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM Lance – aye; CM McBrady – aye; VM Wendt – aye; Mayor Nolan – aye.

Public Comment

Gary Mortimer spoke of someone having come to the library for a meeting in 2015 or 2016, which provided similar information, and that he never saw a report from that. No one seems to remember the meeting. So three years from now we will be asking the same questions.

D. Discuss Council taking a class on managing emotions under pressure (CAARF – Mayor Nolan)

Mayor Nolan recommended this class for Council and possible some Staff. The training is \$149 per person. There was further Council discussion.

Public Comment

Linda Horvath inquired if this would be a cost to the individual or the Town. She believed that the cost should be split. She also commented that this money could be used for fire prevention. She felt a 50/50 split between the individual and the Town would be fair.

Leigh Cluff believes that Ms. Horvath was correct on the cost being split. If the money is from your own pocket, you are willing to learn more. She thought that there was a previous meeting where the Council was supposed to learn to work together.

Dale Creel noted that this training would be a \$1,050 cost. He recommended that Council go home and do a self-study or an online training.

VM Wendt made a motion to approve this class for those Council Members that feel that it would benefit themselves on a voluntary basis voluntarily and staff too, seconded by CM Hughes. Mayor Nolan called for the vote: CM Brooks – nay; CM Collins – nay; CM Hughes – nay; CM Lance – nay; CM McBrady – nay; VM Wendt – aye; Mayor Nolan – aye. The vote failed by a 5-2 margin.

E. Invite Ms. Sandy Stutey from Yavapai Regional Transit (5311 Grant) (CAARF – Mayor Nolan)

Mayor Nolan gave an overview of his CAARF that would allow the Town to purchase a bus.

There was Council discussion regarding the wording of the speaker(s) on the CAARF and avoiding any Open Meeting Law violations.

Public Comment

Leigh Cluff stated that her understanding was that there would only be one speaker on this subject. CM McBrady explained that he felt the reference to Open Meeting Law violation was misconstrued. He spoke of the previous issue being more of a time frame issue and the wording. He feels that this item, correctly written, would be fine.

CM McBrady made a motion that we have Sandy Stutey and others as may be available come and speak to us on the Yavapai Regional Transit 5311 Grant, seconded by VM Wendt. Mayor called for the vote: CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM Lance – aye; CM McBrady – aye; VM Wendt – aye; Mayor Nolan – aye.

TOWN COUNCIL REGULAR MEETING

April 16, 2019 – 6:30 p.m. Town Council Meeting Chambers

Agenda Item #8. A. Discussion and possible approval of funding assistance for Firewise 501(c)(3) start-up costs

To: Mayor and Council Members
From: Ed Hanks
Interim Town Manager

Date submitted: April 11, 2019

Summary: Funding Assistance for Firewise 501(c)(3) startup costs.

In last year's budget, the Council approved \$2,600.00 to help with the formation of the Firewise 501(c)(3). These funds will cover the attorney and filing fees for the initial formation of the 501(c)(3). As the Firewise Committee/Group has come closer to the formation of the 501(c)(3), additional unforeseen startup costs are occurring that were not accounted for. Items include insurance, computer, accounting software and CPA setup cost for proper tracking, advertisement for the filing, etc. The total is approximately \$3,800.00. Current budget has a few Community Development line items that have come in under budget that should be able to help cover these expenses without having additional funds added.

Recommendation: Staff recommends using current budgeted funds (where there are funds available and applicable) to aid the Firewise Group in this process. The formation of the 501(c)(3) will enable them to administer the Grants and the work they are doing in town, more efficiently and without the needed assistance of the Town.

(2) Large single use retail, as defined in section 35-200 of this Code, shall only be permitted at locations specified, and when developed in accordance with section 35-1902(10) of this Code.

This requirement is not intended to preclude access to any subdivided lot of record, previously zoned for commercial use, but in all cases to require the maximum possible distance within the above limits for the location of access and egress driveways, consistent with the spirit of the ordinance.

The Council, by minute action, may further modify this requirement in cases of hardship.
