2019 VOLUNTEER OF THE YEAR

Everyday Dewey-Humboldt volunteers generously give their time and service to help others. Now here is your chance to give back by nominating a deserving individual for his/her outstanding service through the Town's Volunteer of the Year program.

Who is eligible?: The nomination is open to all Dewey-Humboldt residents who have volunteered in 2019. Nominees need to have been volunteers as individuals or for organizations that directly benefit the citizens of the Town of Dewey-Humboldt. The organization can be the Town Council, Town Boards/Commission/Committees, including the Planning and Zoning Commission, Open Space and Trails Committee, Firewise, Volunteers for the Town's Activity Center, the Town Library, the Historical Society, Humboldt Elementary School and other Agencies that have programs benefiting the citizens of the Town of Dewey-Humboldt.

Nomination Process: The process is simple. State the Nominee's name, what work has been done as a volunteer and/or the volunteer organization where the Nominee volunteered. Briefly describe why you believe the individual should be nominated, such as how his/her efforts volunteering in the specific organization have made a profound difference in citizens' lives. Each Nominee should be submitted on a separate form. Nominations can be delivered to Town Hall via in person, U.S.P.S., emailed to beth-evans@dhaz.gov or faxed to 928-632-7365. **The deadline for submissions is March 31, 2020.**

Honoree Selection: The Town Manager appoints a Citizen Committee to review the Nominees and make a recommendation to the Town Council.

The Citizen Committee shall be comprised of a diverse group of individuals/organizations who are involved in the community. Members do not have to be a Dewey-Humboldt resident. One Councilmember liaison will serve on the committee as an arbitrator only. Nominees will be judged on the service performed/donated by the nominee; the amount of time and effort spent by the nominee; whether the nominee was nominated for more than one service; and, whether the nominee was nominated by more than one person for their service. After review of the nominations, the Citizen Committee will make their recommendation to the Town Council.

Recognition: The Honoree of the "Volunteer of the Year" Award, along with all that have been nominated, will be recognized by the Town Council at an upcoming Town Council meeting where they will be awarded certificates of appreciation. Nominees' guests and other dignitaries will be able to express their appreciation for the Nominee. The Volunteer of the Year plaque will be updated with the Honoree's name and date. This plaque is displayed in Town Hall. This is a wonderful way for the Town to express its sincere appreciation for our volunteers and a great opportunity for volunteers to inspire others through their stories.

FREE DRINKING WATER TESTING!!

The Town of Dewey-Humboldt is offering its residents **FREE** testing of drinking water samples from residential well systems. While they last, sample bottles can be obtained at Town Hall from 8:00 - 10:00 a.m. on February 27th & 28th, 2020.

The Town wants to make this service first available to those that have not previously participated. All others will be added to a waiting list, in case we get fewer new participants than our budgeted amount.

In order for the test results to be run within 24 hours of the sample collection, the bottles must be returned by 2:00 p.m. on the **SAME DAY** as pick up. This is necessary to assure accurate results for the water test. The Town will arrange for the samples to be transported to the testing lab in Flagstaff. When testing has been completed, participants will be notified by the lab on their results. The Town does not receive the individual reports.

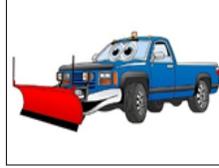

Drinking Water Testing Includes – Arsenic, Copper and Lead.
RESERVATIONS ARE REQUIRED TO PARTICIPATE!

Please call Steven Brown or Beth Evans at 928-632-7362 to reserve your sample kit and indicate the day you plan to pick up your kit.

WINTER SNOW REMOVAL PLAN

Winter is upon us. In the event we receive heavy snow in the coming months, the Town Public Works Department has made sure the snowplow is ready to go in preparation for the cold weather.

The snow removal plan is as follows: Staff will start with the main collector/feeder roads throughout Town, then work into the smaller neighborhood roads. We will get to all Town owned roads as quickly as possible. The snowplow blade is wide, and the truck has to move slowly in order to effectively remove the snow. When snow removal is in process, there may be traffic delays on Town owned roads. Your patience would be appreciated.

During a snowstorm, we also ask our residents to avoid parking vehicles on the roads. Vehicles parked on the roads may become an obstacle for the Town's truck to remove snow.

If you have any questions about snow removal, please call Jason Berg, Public Works Supervisor at 928-632-7362.

GENERAL PLAN UPDATE BEGINNING

The Town has contracted with PLAN*et to assist in the General Plan update. State Statute mandates that municipalities prepare General Plans in accordance with "Growing Smarter" legislation. These plans are comprehensive and describe the vision, goals and policies of the Town. The document identifies a staff responsibility to identify how each proposed Council action relates to the following values: **Active Citizenship; Sustainable Development; Creating Community; Self-Reliance; Efficient Public Services; Limited Public Services; Durable Public Improvements.**

Scope of Work

Much of the information in the current adopted General Plan mentioned above including, but not limited to, various elements, tables/charts, maps, and goals and policies are anticipated to be retained and/or updated where necessary. Optional Elements for Consideration: Conservation; Aggregate; Recreation; Public Buildings; Housing; Safety; Energy.**

The consultant will initially, as Phase 1, be assisting the community in evaluating and appraising the effectiveness and continuing relevance of each element of the existing plan and exploring with the community any new elements needed to be added.

The results of the evaluation and appraisal from Phase 1 will be used by the firm contracted to develop the scope of work for the update of each element and the development of the new elements, including background data, analysis, and goals and objectives, as Phase 2 under separate contract.

Additionally, the consultant will provide support in recommending plan framework, coordinating facilitating citizen participation and community outreach, plan editing and drafting, data collection and analysis to sup-

port the update of each element as, including graphics and diagrams, maps, public surveying, public meetings, staff meetings and any related items that are necessary in moving the update of the General Plan forward in a manner consistent with Arizona Revised Statutes, Town of Dewey-Humboldt Laws and Regulations and in concert with the goals and policies of the Mayor and Council.

It is anticipated that additional elements may be included to support various Town goals and policies identified through this process.

Public involvement will be a major component of the update effort and it is anticipated that a Stakeholders Committee would be formed to direct the consultant's work throughout the process.

Central Arizona Fire and Medical Authority submitted updated findings to the National Fire Protection Agency (NFPA). Our Firewise Designated Community has grown from the Blue Hills down to Highway 69 and over to land just before Mogollon Vineyards.

While the summer months bring an increase in potential fire danger, we know fires in the Western United States are a way of life year round. Consider mitigation as preparation for the summer months to come.

Our goal is to see the entire town of Dewey-Humboldt become a Firewise Designated Community.

healing **Quilts of Valor**. Each quilt is made for a specific recipient, with a label referencing their branch and dates of service and specific war.

From its inception in 2003 to date, nationwide QOV has awarded over 242,485 quilts.

In 2018, the local chapter became a reality and was named **AZ Freedom Quilts**. In February of 2019, we had our first **QOV National Sew Day** hosted by the Prescott Valley Library.

We had a great turnout of women who love to sew and were able to make over 100 blocks in a few hours. Over the next few months, several of the ladies took these blocks and made them into beautiful finished quilts. These quilts have been awarded to veterans in Prescott, Prescott Valley, Dewey, Mayer, Show Low and Williams. **AZ Freedom Quilts** has awarded over 70 quilts in the last 3 years.

To request a Quilt a Valor, go to the QOVF website, govf.org, to fill out the “**Request A Quilt of Valor**” form, pick up a form at **Gifts & Games**, Hwy 69 & Main St, Humboldt, or call **Ruth Ordonez at 928-308-55535** to request a form. The Arizona State Coordinator will be notified and will send the request to the local chapter who will then contact you. Depending upon the demand, it could take from 6 months to a year to receive your quilt.

If you are interested in sewing and would like to volunteer in making some quilts, we are always looking for new members who sew and quilt, and people with other gifts who would like to be a part of such a worthy cause. Please contact us at azfreedomquiltsprescott@gmail.com. Our regular sewing day is the **2nd Saturday** of the month at **Central Sewing at 8532 State Route 69, Prescott Valley**. We are looking forward to seeing new faces!

From *The Skinny Taste Cookbook*

- 12 oz. bag broccoli florets
- 12 oz. rotini pasta
- 1 1/2 tbsp. butter
- 1/3 cup finely chopped onion
- 1/4 cup all-purpose flour
- 2 cup milk
- 1 cup chicken broth
- 2 cup shredded sharp cheddar cheese
- 1/4 cup seasoned bread crumbs
- 2 tbsp. grated Parmesan cheese
- 1/4 tsp. salt and pepper to taste

Preheat oven to 375°. Spray a 9 x 13 baking dish with oil.

In a large skillet, melt the butter, over medium low heat. Add onion and cook, stirring, until soft. Add flour and cook, stirring 1 minute. Season with 1/4 tsp. salt and black pepper to taste. Remove the pan from the heat and stir in cheddar until melted.

Add the pasta and broccoli and stir well. Pour into baking dish and top with bread crumbs and Parmesan. Spray with oil.
