- 10. General Business** Discussion and possible legal action may be taken. Agenda language may vary from that in CAARFs for Open Meeting Law purposes.

A. Presentation, discussion and possible adoption of the Fiscal Year 2020/21 Tentative Budget (Staff CC)

Councilmember Collins spoke relating to there being no page in the budget for donations; there being two budgets, the COVID-19 budget and the ceiling budget; and, asked about the donations. Pat Walker, Pat Walker Consulting, responded relating to this being the ceiling budget, or tentative budget; the COVID-19 budget having reduced revenues in case revenues are worse than thought; the tentative budget being in the amount of \$5,684,427; a donation for Mayer Area Meals on Wheels ("MAMOW") is not included; and, that the Town only received a donation request from the Dewey-Humboldt Historical Society ("DHHS").

Mayor Nolan asked if Ms. Walker received a copy of his requested items; Ms. Walker confirmed receipt and read the list. The list includes notebook computers for Councilmembers (for which \$5,000 has been put into the COVID reserve); considering funding to develop property exchanged with the school district as a skate park, funding for the Little League, funding for DHHS, funding for the American Legion, reconsidering funding for MAMOW, and adding \$2,000 for the transit system starting up for bus service for the community. She noted that there are transit grants that Council can consider; based on her experience, they require matching funds. At this time, the only item included in the budget is notebook computers for Councilmembers in the COVID reserve; the rest, if Council chooses to do so later in the year, can be moved up from the contingency reserve. Mayor Nolan spoke relating to the transit authority having gotten a grant from CARES Act funding to start transit that will come down to the Town on Wednesdays; it starting slower than anticipated due to the COVID-19 pandemic; supporting DHHS and the American Legion; and, MAMOW bringing meals to members of the community.

Mayor Nolan spoke relating to the Governor having received a large grant for cities over 500,000 residents and

applying to the Governor for funding for lost revenue. Mr. Hanks asked when it was passed that the Governor received funds for revenue shortfalls and noted that he had only heard of reimbursement for direct COVID-19 expenses. Ms. Walker responded that she is working with four communities with the Arizona Department of Emergency and Military Affairs on the funding; and, at this time, the funding is for reimbursement of COVID-19 expenses and not to balance budgets. Mayor Nolan and Mr. Hanks discussed the matter further.

Ms. Walker suggested that Council approve the ceiling budget at tonight's meeting; once it is approved, Council can reduce it or move things around. If Council wants to vote on the items listed, they may do so and then staff could include it from the contingency.

Town Clerk Note: At approximately 7:01 p.m., Mayor Nolan became inaudible and Vice Mayor Lance chaired the meeting.

In response to Councilmember Brooks, Ms. Walker confirmed that after a tentative budget is approved, it can be reduced and things can be moved around, though revenues can't be increased. In response to Councilmember Brooks, Mr. Hanks confirmed that the Blue Hills emergency exit is included in the Highway User Revenue Funds (HURF) budget.

Councilmember Brooks moved to adopt the Fiscal Year 2020/21 tentative budget as presented; seconded by Vice Mayor Lance. Ms. Walker requested that the amount of \$5,684,427 and a public hearing to hear public comments be included in the motion.

Vice Mayor Lance requested that the motion be re-read by the Town Clerk, with the comments by Ms. Walker. Tim Mattix, Town Clerk, re-read the motion as being to adopt the Fiscal Year 2020/21 Tentative Budget in the amount of \$5,684,427, with the public hearing to be held on June 16, 2020.

Councilmember Collins asked about the budget and status of the Clearview design and survey; Mr. Hanks responded that the money was set aside for engineering and design on the intersection if the Arizona Department of Transportation is able to do anything this year. Councilmember Collins spoke relating to not needing a notebook computer and preferring the money instead be spent for MAMOW.

The motion to adopt the tentative budget passed on a roll call vote 4-2. CM Brooks – aye; CM Collins – nay; CM Hughes – aye; CM McBrady – absent; CM Wendt – aye; VM Lance – aye; Mayor Nolan – nay.

There was discussion about Mayor Nolan being muted. Mayor Nolan asked about the Engineering budget, if the Town contracts with an Engineering firm, and why the Town is paying salary and benefits. Mr. Hanks clarified that the salary and benefits are for Jason Berg, Public Works Supervisor; they are included in the Engineering budget. There was further discussion and clarification of the Engineering budget.

B. Review, discussion and possible action relating to allowing or not allowing advertising and public comment in Town Media, including The Dewey-Humboldt Newsletter. Staff is presenting to Council draft Town Council Policy PG TC No. 20-05, which includes various levels of allowing advertising and public comment, for Council review, discussion, modification and possible approval. Also included for discussion and possible action is the topic of posting a listing of all Town businesses on the Town's website, as discussed March 17, 2020. (Staff CC; March 17, 2020 CAARF – Mayor Nolan)

Mr. Hanks noted that staff drafted a policy with options for Council consideration; staff also provided a copy of comments from a Town resident and information from the Town Attorney to Council.

Councilmember Brooks spoke relating to the chance of the Town getting into hot water as the Town will not be able to deny any organization unless it is very carefully worded; and, that she would like to see a separate e-Chamber of Commerce started for businesses to advertise through. She also spoke relating to it being difficult for the Town Newsletter and website to handle the influx of outside advertising.

Councilmember Collins spoke relating to not wanting advertising on the Town website or social media; the need to adopt a policy; having a need to get information out to people in the event of an emergency; the difficulty of addressing advertising by non-profit organizations; and, putting an emergency page on the Town website. She also spoke relating to having an e-Chamber of Commerce; needing a workaround to list services on the website and in the Newsletter; a policy needing to be adopted because it is wide open the way things are currently; and, free speech issues relating to advertising.

Vice Mayor Lance spoke relating to legal issues; other ways to promote businesses, such as having a small licensing fee and highlighting licensed businesses in the Newsletter; and, that this would open up advertising to everyone and is not a good idea for the Town.

Councilmember Hughes moved to not allow advertising or public comment in Town media, including the Newsletter; seconded by Vice Mayor Lance.

Kay Bigelow, Town Attorney, spoke relating to working with private entities to provide fire preparedness information. Councilmember Hughes spoke relating to information about laser-shelter.org being put in the anonymous newsletter that goes out.

Councilmember Brooks asked if the Town can continue printing information from Firewise, DHHS, the Library and American Legion. Ms. Bigelow responded that the Library is a Town facility and is not a violation; however, any time private entities are allowed, and some excluded, there is a first amendment problem. In response to Councilmember Brooks, Ms. Bigelow stated that it is not distinguishable on a first amendment basis if the Town donates money to an organization. Mayor Nolan spoke relating to the Town contributing to the American Legion; Ms. Bigelow responded that donating money does not change them from an outside separate entity.

Councilmember Wendt spoke relating to not opening it up and asked if it is possible for an exception for DHHS, Firewise and the American Legion. Ms. Bigelow responded that the Town could have a policy saying that if the Town is assisting with financing, those would be allowed to advertise; however, the Town's total control is eroded each time somebody is allowed to use it. Ms. Bigelow also spoke relating to it being a way to distinguish, but the Town would still be including news or advertisements from outside entities. Councilmember Wendt spoke relating to never stopping anyone from requesting funding and asked if advertising would be allowed if the Town approved donations; Ms. Bigelow responded that the rule would start eroding where the Town would be accused of picking out only those organizations that are in agreement with the Town, which starts looking like the message is being censored. Councilmember Wendt spoke relating to this and all prior Councils allowing articles from entities and asked why now it is being said that it can't be done. Ms. Bigelow responded that in 2014, the policy was to not allow any advertising, but that over time, some started showing up in the Newsletter.

Councilmember Collins spoke relating to it not being a hard and fast policy; not being able to have a workaround for emergency information; and, people first looking at the Town website rather than searching on the internet.

In response to Vice Mayor Lance, Ms. Bigelow said that the Town cannot censor businesses or non-profits, or their message, unless the Town allows only commercial speech. Vice Mayor Lance asked if the Town could have a highlighting corner without being against the First Amendment. Ms. Bigelow responded that as long as all businesses are accepted and there is no censorship, the Town is fine; however, the Town will need to accept each and every name. Vice Mayor Lance asked if it would be allowed for a Town reporter to do a spotlight on a business without going and interviewing anybody; Ms. Bigelow responded that a staff member could do that, and suggested that if it is done, all sorts of businesses be done, with the businesses selected randomly. Vice Mayor Lance spoke relating to possibly having a peddlers and business license, giving the Town a list of all businesses licensed through the Town, and asked if the Town could then spotlight them. Ms. Bigelow responded that staff could do a news article about them. Vice Mayor Lance spoke relating to this being a way to get business names out without violating the first amendment; Ms. Bigelow suggested a random way of choosing them. Vice Mayor Lance spoke relating to finding a way to adjoin non-profits to the Town in order to spotlight them.

Mike Donovan spoke relating to the definition of advertisement saying that it is a notice or announcement in a public medium promoting a product, service or event, or publicizing a job vacancy; the line between information and advertisement; and asked how information not meeting the definition of an advertisement can be wrong. Ms. Bigelow responded that the term advertising is being used more generically and includes issues such as an organization including an order form; once the Town starts down the road of accepting information, the Town can no longer say it won't take a certain business or type of business and spoke relating to First Amendment rights.

Mayor Nolan asked if would have to be a valid business in the Town before it could advertise; Ms. Bigelow confirmed that it could be done, but eventually there will be a business or type of business that the Town disagrees with and would have to accept it.

Councilmember Wendt asked if the same would apply to Facebook; Ms. Bigelow confirmed that it applies to all Town media, including the Town's Facebook page. In response to Councilmember Wendt, Ms. Bigelow confirmed that staff can prepare a news article as it is not the organization asking for it.

Councilmember Collins asked if the Council can write an article for the Newsletter; Ms. Bigelow responded that while she's not sure, it may be ok as long as it is the same type of news article and that it doesn't endorse the organization's message.

Vice Mayor Lance asked about a staff member going into and asking questions of a business, with no quotes or inputs other than answers, which would then be compiled by staff and included as a spotlight in the Newsletter. Ms. Bigelow responded that is more informational and what's missing is allowing the business to directly insert a message in the newsletter. Vice Mayor Lance spoke relating to non-profits being able to do the same type thing; Ms. Bigelow confirmed that informational articles would be ok.

Councilmember Collins asked about a template that would be safe to use. Councilmembers Collins, Hughes and Wendt and Vice Mayor Lance discussed possible ways to have an emergency information page. Councilmember Wendt suggested using the Town's constant contact email, which has hundreds of recipients.

The motion to not allow advertising or public comment passed on a roll call vote 5-1. CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM McBrady – absent; CM Wendt – aye; VM Lance – aye; Mayor Nolan – nay.

C. Discussion and possible action to direct staff to post and publicize a link and information about www.laser-shelter.org, a 501(C)(3) organization whose mission is to provide safe shelter for barn animals during evacuations in Yavapai County and to provide information for emergency preparedness (CAARF – Councilmember Collins)

Councilmember Collins spoke relating to the Town not supplying information services; and, that in prepping for an emergency, people go to the Town's website to get direction as to what they can do in an emergency.

Mayor Nolan spoke relating to County emergency management directing people with livestock to a place where the livestock can be safe. Councilmember Collins responded relating to her experience during the Goodwin Fire, when poultry and turkeys were not accepted, and not knowing where to put them.

Councilmember Wendt spoke relating to using the Nextdoor app to relay information; Firewise putting a link on their website; having seen in *The Daily Courier* that poultry and chickens were being taken; and, suggested that something be printed and put on the community bulletin boards. Ms. Bigelow stated that if it is only supposed to be Town literature it wouldn't work. Councilmember Wendt spoke relating to using the constant contact email system.

Councilmember Brooks spoke relating to the Laser Shelter barn animal shelter being established after the Goodwin Fire, when it was realized that there was an overwhelming need.

Vice Mayor Lance spoke relating to the Town opening a Zoom link in an emergency to give people immediate notice; and, Town staff printing and giving information to the Sheriff's Office or to hand out at convenience stores with emergency information.

Mayor Nolan spoke relating to this being taken care of by the County Emergency Management; the County will tell people where to go and what and how to do; and, no one going to the Town's website when trying to evacuate.

D. Discussion and possible action to take from the table the provisions of the draft ordinances establishing business licenses and peddlers' licenses. Note: At the October 1, 2019 Regular Meeting, Council voted to table this item and go back to it in a year. (CAARF – Councilmember Brooks)

Councilmember Brooks spoke relating to, after hearing Ms. Walker's budget presentation, feeling the Council should re-examine the licenses; and, after reading past minutes, not being sure on the licenses.

Staff clarified that this item is to remove the item from the table; a motion and vote is necessary before discussing it. Mayor Nolan noted that only Councilmembers present and voting at the meeting at which it was tabled could vote to withdraw it from the table. In response to Mayor Nolan, Mr. Mattix clarified that Councilmembers Brooks, Collins, Hughes and Wendt were present and voted to table the item.

Councilmember Brooks moved to remove the issue from the table and bring back for more discussion; seconded by Councilmember Collins. Motion failed on a roll call vote 2-2. CM Brooks – aye; CM Collins – aye; CM Hughes – nay; CM Wendt – nay.

E. If removed from the table by Council, discussion and possible direction to the Town Attorney on the provisions of the draft ordinances establishing business licenses and peddlers' licenses (Staff CC from the October 1, 2019 Council Meeting)

No discussion or action due to the outcome of agenda item 10.D.

F. Discussion and possible action relating to the potential donation of the \$20,000 FY 2019/20 Town Budget line item for Firewise (account 10-465-5100) to Dewey-Humboldt Firewise (CAARF – Councilmember Wendt; from the May 12, 2020 Study Session)

Councilmember Wendt spoke relating to everyone being in receipt of additional information distributed today; difficulties in June, 2019, when Firewise was not ready to take on the responsibilities and liabilities to complete the abatement grants; Firewise obtaining the 501(c)(3) status; the agreement with the Prescott Area Wildland Urban Interface Commission ("PAWUIC"); and, Firewise needing money to assist Town residents in grant funding. She noted that she requested funding that was set aside for Firewise in the Fiscal Year 2019/20 budget.

In response to Councilmember Collins, Mr. Hanks clarified that it is for the current year's budget ending in July, not next year's budget. Councilmember Collins spoke relating to the fire break going into the Blue Hills.

In response to Vice Mayor Lance, Councilmember Wendt stated that she is not a member of Firewise. Vice Mayor Lance asked Firewise representatives when they became a 501(c)(3) and how much fundraising they have done. Debbie Miller, Firewise, responded that Firewise has been a 501(c)(3) since the first or second week of March; to date, Firewise has not done fundraising, but does have plans for it; and, Firewise has opened an account with Amazon Smile and will have a donation button on their Facebook page.

Vice Mayor Lance spoke relating to the motion from June, 2019, being to absorb Firewise, not to set aside \$20,000 for Firewise specifically; the \$20,000 being for staff to work on meeting the FEMA requirements; and, the Firewise request for funding in 2019. She also spoke relating to Firewise pursuing and obtaining the 501(C)(3) as Dewey-Humboldt Firewise ("Firewise") and now looking for funding from the Town. In response to Vice Mayor Lance, Ms. Miller stated that Firewise would consider it a donation, similar to other agencies and Mr. Hanks confirmed that outstanding funds for PAWUIC grants at any one time are approximately \$7,200. Vice Mayor Lance asked if Firewise has plans to expand to other cities or expanding into Prescott Valley; Ms. Miller responded that Firewise has not discussed it and that most Firewise communities in Yavapai County are funded by homeowner associations. Vice Mayor Lance and Ms. Miller discussed it further.

Vice Mayor Lance asked where Firewise came up with the \$20,000 request; Ms. Miller responded that her understanding was that the \$20,000 was still sitting there. Vice Mayor Lance and Ms. Miller discussed the budget; Mr. Hanks stated that \$20,000 is currently listed in the account, though there will be a line item transfer covering budgetary overages. Vice Mayor Lance spoke relating to Firewise not needing \$20,000 at any one time; the purpose of the \$20,000 was because the Town Manager stated that was how much had been spent and would be put towards Town staff funds for Firewise; and, discussed staff work on Firewise mitigations. Mr. Hanks noted that the Town has not taken out of that line item; rather than doing the transfer on a weekly basis, staff will do a line item transfer. Vice Mayor Lance asked how much of the \$20,000 would have been used due to Town staff hours spent on Firewise activities; Mr. Hanks stated it would be approximately \$8,000. Vice Mayor Lance spoke relating to the budget being for PAWUIC grants at that time, for payroll spent on Firewise, and for keeping up FEMA requirements.

Councilmember Wendt spoke relating to the October 8, 2019 Study Session minutes and Council comments relating to the 501(c)(3) being beneficial and giving Firewise autonomy; Firewise not doing fundraising in March due to COVID-19; there being an upcoming grant for one citizen in the amount of \$13,300; and, Firewise not having that kind of money. She spoke relating to the grant process; the funding needing to be enough to fund a larger amount; the Forest Service increasing the grant amount to \$1,900 for each grant; and, that some grants will be substantial. She spoke relating to the Town being eliminated of liability in the future when Firewise becomes independent; and, staff no longer being involved. She spoke relating to the Town's liability prior to Firewise becoming a 501(c)(3); the cost of insurance; Firewise asking for the donation to be applied only and strictly for grant money for the Town's citizens; and, that Firewise can't certify communities outside of the Town.

Councilmember Brooks spoke relating to the reason for her October 8, 2019 comments being due to the Town paying the Firewise attorney in full for the 501(c)(3); the June 25, 2019 minutes reflect that five of seven Firewise board members retracted the request for funding and would dissolve and work under the Town; and, the \$20,000 budget allocation including cleaning the right-of-way for FEMA and to help with cleanup days.

In response to Councilmember Collins, Mr. Hanks noted that Mickey Moore, Town Accountant, estimated between \$4,000 and \$8,000 would be transferred out, leaving between \$12,000 and \$16,000. Councilmember Collins spoke relating to the Town cleanup days, which helps fireproof the Town; the Town previously doing mobile wood chipping and the feasibility of doing it again; and, asked what the Town pays for cleanup days. Mr. Hanks responded that the last cleanup days event cost just under \$10,000; the mobile chipping was worked in as an extra cleanup day, part of which was done with the help of volunteers.

Vice Mayor Lance asked if the money for the Firewise attorney and for the Town Attorney's work was included in the \$20,000 and spoke relating to the purpose of the \$20,000; and, asked Councilmember Hughes if any of his properties are included in the new Firewise grants and if they are more inclusive to all of the Town. Councilmember Hughes responded that Firewise has added new properties.

Councilmember Hughes asked if the money is donated to Firewise, the Town's work and involvement, such as with PAWUIC grants, would be eliminated and spoke relating to not needing to budget \$40,000 to \$60,000 yearly for the grants; and, suggested Council come up with a number between \$12,000 and \$15,000 to donate to Firewise, and keep the rest of the money for the Town's staff, eliminating the Town's involvement.

Councilmember Hughes moved to give them [Firewise] \$15,000 and to eliminate the Town from Town staffing

and to let Firewise carry on and that it would be a donation from the Town to show Town support into Firewise and to let them carry on; seconded by Councilmember Wendt.

Ms. Miller spoke relating to Firewise having brought over \$442,500 into the Town, including water tanks, abatements and 911 signs; the volunteer hours from last year into this year being valued at approximately \$192,000; and, being grateful for the Town's support. She also spoke relating to having concerns that not all Council understand Firewise; and, encouraged Council to attend Firewise meetings and read the virtual information provided by Firewise.

Councilmember Hughes amended his motion to \$12,000 to Firewise. Councilmember Wendt reiterated her second of the motion.

Vice Mayor Lance asked about the Firewise endowment fund. Councilmember Wendt responded that the fund was through the Arizona Community Foundation ("ACF"); the funds have been released; what is above the sign grant amount will be used for administrative costs for fundraising after the COVID-19 pandemic; and, Firewise not yet knowing the cost for liability insurance. Ronnie Donovan, Dewey-Humboldt Firewise, responded that the last statement from ACF indicated the end balance is \$2,797.51; Firewise has received from ACF a \$10,000 check for closing out the account; and, Firewise is hoping to close the account by the end of this month. She also responded that Firewise is intending to spend all of the money on Firewise for the Town and will need operational funds for things such as liability insurance; Firewise is intending to continue funding whatever they can from their own resources; and, anything received from the signs will go back to the fund for signs. Vice Mayor Lance asked what is in the fund at this time. Ms. Donovan responded that the final balance is \$12,927.29. Vice Mayor Lance and Councilmember Wendt discussed the background of the endowment fund.

Councilmember Brooks spoke relating to Council having recently approved an agreement with PAWUIC to administer grant funds through the end of 2021. Mr. Hanks responded that Firewise has indicated they would take over the PAWUIC grants and that the Town would need to set up an accountability contract with Firewise that the funds would be used on a rotating basis to fund the PAWUIC grants. Councilmember Hughes spoke relating to relinquishing the Town's responsibility so that Firewise can do it on their own. Councilmember Wendt spoke relating to the request being for grant funding beyond the current PAWUIC agreement; the money would be applied for future grants beyond that. Councilmember Brooks clarified that the Town would still be tied up through the end of 2021 for the PAWUIC grants. Councilmember Wendt spoke relating to the grants being included in the Town's grant budget; and, the abatement grants always being replenished as PAWUIC submits the money to the Town. Councilmember Brooks spoke relating to a six-month lag time for reimbursement; Mr. Hanks responded that the lag time is between 60 and 75 days; and, that the PAWUIC grants come out of the miscellaneous grants expenditure item and the reimbursement comes into the miscellaneous grants income item. Councilmembers discussed this further.

Ms. Miller clarified that Firewise can take over the current grants for the 35 acres. Councilmember Wendt noted that Firewise will need to go back to PAWUIC on it; Ms. Miller confirmed.

In response to Vice Mayor Lance, Ron Miller, Dewey-Humboldt Firewise, stated that there is \$56,000 left for the 35 acres and Mr. Hanks clarified that the \$56,000 would not go out all at once.

Vice Mayor Lance moved to include the accountability clause that the \$12,000 would release the Town from any liability for reimbursements. Councilmember Hughes clarified that his motion said that.

Leigh Cluff spoke and asked if the Town needs to talk to PAWUIC first to make sure PAWUIC agrees. Mr. Hanks confirmed that the Town will need to talk to PAWUIC; part of the accountability contract would state them taking over the PAWUIC grants for the 35 acres; and, that it would be spelled out in the accountability contract that the money would not transfer until it was all agreed upon.

Councilmember Hughes called the question. The motion to call the question passed on a roll call vote 5-1. CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM McBrady – absent; CM Wendt – aye; VM Lance – nay; Mayor Nolan – aye.

Councilmember Hughes clarified that the motion to give Firewise \$12,000 could include a provision stating that everything would be agreed upon in an accountability contract with PAWUIC's blessing. The motion passed on a roll call vote 6-0. CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM McBrady – absent; CM Wendt – aye; VM Lance – aye; Mayor Nolan – aye.

G. Discussion and possible action relating to altering the dais in the Council Chambers to address recommendations from the Centers for Disease Control (CDC) to enable in-person public meetings to better accommodate citizen participation (CAARF – Councilmember Collins)

Councilmember Collins introduced the item as follows: this being to alter the dais to use it again; the only thing keeping Council from going back to in-person meetings is to put plexiglass in between Councilmembers; it would allow people to be present.

Mayor Nolan spoke relating to cases still being identified in the community; not doing anything until the end of June; there being no way to separate the Council on the dais so that they have the six-foot recommended space; cases in the County growing; and, the cost of the plexiglass.

Vice Mayor Lance spoke relating to it being an expense; other Towns using plexiglass and curtains as dividers; and, the size of the Chambers not allowing many members of the public to attend because of social distancing.

Leigh Cluff spoke and asked about getting a cost for altering the dais; at the last meeting, Mayor Nolan being within a foot of the Town Manager but saying he is concerned about social distancing; Mayor Nolan being in the Town Office; community members not minding taking turns if only four or five could be in the Chambers; and, being in support of opening the Chambers back up.

Councilmember Wendt spoke relating to it being too soon to open; with partitions, it still being too close for Councilmembers; COVID-19 still spreading; participation on Zoom meetings being good; and, remaining on Zoom meetings until it is safe to open up to the public and it being safe to be in the Chambers.

Councilmember Brooks spoke relating to supporting reopening; Prescott and Yavapai County opening; anybody concerned can wear a face mask and eye protection; having sanitary hand wipes and sanitizing wipes to clean areas; and, CAFMA and other meetings doing social distancing by placing chairs six feet apart. She also spoke relating to people with compromised immune systems writing letters on any topics that they want to comment on and viewing meetings on Granicus; and, a Councilmember with a compromised immune system not being on the last two Zoom meetings.

Councilmember Collins spoke relating to using COVID-19 to exclude public participation; Mayor Nolan's time at Town Hall; Town Hall offices shutting down if staff is infected; people indicating that changes like business licenses will result in referenda; and, people indicating that they are very unhappy with the situation.

Vice Mayor Lance spoke relating to the YRMC West Council of Electors meeting in person and following social distancing and using personal protective equipment; opening back up but allowing Councilmembers to continue to participate by Zoom or telephone; and, asked the cost for plexiglass and personal protective equipment. Mr. Hanks estimated the cost being approximately \$100 per divider and additional costs for plexiglass across the front of the dais. Vice Mayor Lance spoke relating to needing to supply personal protective equipment if in-person meetings resume and requested a rough estimate of how much has been paid for Town staff. Mr. Hanks responded that it has been approximately \$120 for masks, sanitizer and wipes in the last month.

Councilmember Wendt spoke relating to the Council Chambers that are opened in other jurisdictions being large; the Town's Chambers being small; believing that COVID-19 is a dangerous situation; and, Mayor Nolan having business at Town Hall. She also spoke relating to the dais being a confined space; the Town being responsible to provide face masks; Governor Ducey saying there shouldn't be more than 10 people, and there being seven on the Council; and, that people who know how much time the Mayor spends at Town Hall are spending too much time at Town Hall stalking him.

Councilmember Collins spoke relating to health issues that make her vulnerable to COVID-19 but feeling safe; having talked to her doctor about it; Mayor Nolan having exposed Town staff at the last Council Meeting; losing people who want to be involved in Town government; hearing negative things from a lot of people who are not able to participate on a computer; and, having a group of people who are excluded from Town government.

Councilmember Collins moved to alter the dais so that there can be public involvement; seconded by Councilmember Brooks. Councilmember Collins also spoke relating to people waiting outside for their turn to come in to speak and the General Plan Update being impossible because of people being excluded by the meetings being on the computer.

Mayor Nolan spoke relating to having more people on Zoom than there were in the Council Chambers unless there was a property rights issue; the Yavapai County Board of Supervisors having their meetings on Zoom for 60 more days; Prescott, Chino Valley and Prescott Valley having a bigger dais; seven Councilmembers plus staff and the Town Attorney is 10 people for the Chambers; and, his health issues that are influences.

Ms. Bigelow spoke relating to legal considerations when switching to a different form of meeting; an issue being sequestering the public outside of the building; not having people in the room being able to indicate that they want to talk about an issue violating the rule of accepting public comment; a product like Zoom meeting the needs of what the local law requires as it allows the public to indicate that they want to speak, not just furnishing

comments ahead of time; and, any kind of plan that would exclude people out of the room will have a legal problem for Council to properly consider matters. Councilmember Collins spoke relating to people having waited outside in the past to talk about controversial issues and asked if it was against the policy; Ms. Bigelow responded that the requirement to allow public comment on every issue went into effect since she became Town Attorney.

Vice Mayor Lance spoke relating to appreciating health concerns; and, asked if there is a Town ordinance or rule that any of the Council must go through the Town Manager to speak to staff. Ms. Bigelow noted that this discussion can't be included under the parameters of the agenda item.

Vice Mayor Lance moved to ask staff to check into what exactly it would cost to put up a parameter safe enough for resuming meetings; seconded by Councilmember Collins.

Nancy Wright spoke relating to not being immune compromised; not using a mask when she goes out; a lot of people griping and complaining about what happens with the Council not coming to Council Meetings; if insisting on having people back in person, also using Zoom so people who don't feel comfortable can use it; and, Zoom being the best course until people feel comfortable going out.

Councilmember Wendt spoke relating to people who want to complain; there was discussion among the Council about being off topic. Councilmember Wendt spoke relating to citizens who have an issue jotting down what the issue is and drop it off at Town Hall and ask that it be read at the meeting.

The motion to ask staff to check into the cost to put up a parameter safe enough for resuming meetings passed on a roll call vote 3-2. CM Brooks – aye; CM Collins – aye; CM Hughes – absent; CM McBrady – absent; CM Wendt – nay; VM Lance – aye; Mayor Nolan – nay.

Town Clerk Note: At an unknown time, Councilmember Hughes became disconnected from the meeting and was absent for the vote. Councilmember Hughes subsequently rejoined the meeting and was present for the next vote.

Councilmember Brooks spoke relating to, due to the aisleway and the table, plexiglass not being needed in front of Council. Vice Mayor Lance spoke relating to still voting on the first motion; Mayor Nolan spoke relating to that motion being similar to the first. There was Council discussion on the differences between the two motions.

Vice Mayor Lance called the question; Mayor Nolan called for a voice vote. There was various Council discussion, including about waiting while Councilmember Hughes rejoined the meeting.

The motion to alter the dais so that there can be public involvement failed on a roll call vote 3-3. CM Brooks – aye; CM Collins – aye; CM Hughes – nay; CM McBrady – absent; CM Wendt – nay; VM Lance – aye; Mayor Nolan – nay.

B. Town Manager's Report on the federal CARES Act funding and distribution requirements through the State of Arizona (Background information included)

Mr. Hanks reported that on May 27, 2020, the Governor announced the amount of CARES Act funds allocated to cities and Towns; the Town's allotment is \$474,955. In order to receive funds, the Town needs to apply and be registered with FEMA through the Department of Emergency and Military Affairs and the Arizona Grants Office by July 30, 2020; Mr. Hanks has started the process. He is attending a required registration class on June 3, 2020; all expenditures need to be tracked and must have been made between March 1, 2020 through December 30, 2020. Items eligible for reimbursement must track back to a COVID-19 expense and are primarily in the public safety and health fields; the Town currently has approximately \$500 in expenditures that can be submitted.

Councilmember Wendt spoke relating to altering and possibly re-designing the dais in the Council Chambers and suggested Mr. Hanks find out if those costs could be applied towards this grant.

- 9. General Business** Discussion and possible legal action may be taken. Agenda language may vary from that in CAARFs for Open Meeting Law purposes.

A. Discussion and possible action to approve a contract with Arizona Natural Design, PLLC, for Architectural and Project Management Services for the design, purchase and construction of a new

steel building for Town Hall (Staff CC)

Mr. Hanks noted that on April 14, 2020, Council approved negotiations with Arizona Natural Design; staff has negotiated a contract with Claire Clark, Arizona Natural Design. The cost of the contract is \$74,422.50 for design, construction management and procurement services. Ms. Clark and Kay Bigelow, Town Attorney, are present if there are any questions.

Councilmember Brooks moved to approve the contract for architectural and project management services with Arizona Natural Design, PLLC, for the design, purchase and construction of a new steel building for the Town Hall project in an amount of not more than \$74,422.50; seconded by Vice Mayor Lance. Motion passed on a roll call vote 5-2. CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM McBrady – nay; CM Wendt – aye; VM Lance – aye; Mayor Nolan – nay.

B. Review, discussion and possible action relating to authorizing hazard pay for Town staff due to COVID-19 (Staff CC; CAARF from Mayor Nolan from the April 14, 2020 Regular Meeting)

Mr. Hanks noted that the item was first presented on April 14, 2020, as a CAARF; at that time, Council voted to look at it in June when there were better budget numbers from which a decision could be made.

Vice Mayor Lance asked how many extra hours each employee has had to work due to COVID-19 and how much more hazardous it's been since the Town was closed. Mr. Hanks responded relating to everyone being back to their full, regular hours and exposure being limited due to the Town being closed. In response to Vice Mayor Lance, Mayor Nolan confirmed that he indicated it was for two employees as they talk to the public more than other staff.

Councilmember Brooks spoke relating to the limited number of people allowed in the lobby, moving to appointments-only and the addition of plexiglass barriers; masks, gloves and disinfectants being made available for staff; and, not being able to afford hazard pay with the budget situation. She also spoke relating to other people having to go to work; and, staff may be receiving a pay increase and cost of living adjustment.

Councilmember Wendt asked if the CARES Act includes hazard pay; Mr. Hanks responded that some information has indicated that it could be used for all employees, while other information has indicated it is to be used for employees in the health and public safety areas. Councilmember Wendt spoke relating to Council waiting on a decision until after Mr. Hanks goes to the class and finds out if it could apply to all employees.

Mayor Nolan stated that the item will be brought back at the next meeting.

C. Discussion and possible action to direct staff relating to altering the Council Chambers to meet safety guidelines for resuming in-person Council Meetings. Staff will report on the estimated costs of supplies and materials necessary to bring the Council Chambers into compliance with the Centers for Disease Control's social distancing recommendations. (Staff CC; from the May 19, 2020 Regular Meeting)

Mr. Hanks noted that staff was directed on May 19, 2020, to get price quotes for what it would cost for plexiglass divisions on the dais in the Council Chambers. Staff has provided two options for consideration; the primary difference is plexiglass on the front between the Council and the galley. Option 1 has a financial impact of approximately \$800; Option 2 is approximately \$500 and has a little lower standard on the hand sanitizer station.

Councilmember Wendt spoke relating to wanting to see space added between Council seats; if the plexiglass extends out, there not being room to get in and out of seats; redesigning the dais to give Council room, such as extending it down one side; and, using CARES Act funding to cover the cost.

Councilmember Collins spoke relating to this being the cheapest, short-term solution; and, the physical barrier being more than sufficient if everyone wears masks.

Councilmember Brooks moved to accept Option 2 and to adapt the Council Chambers accordingly; seconded by Councilmember Collins.

Leigh Cluff spoke relating to a letter from Glen Blomgren donating the use of his building for free; and, the building being able to hold Council, staff, and 21 other members. Mayor Nolan spoke relating to having responded to Mr. Blomgren's offer; because the meetings can't be recorded, the offer was declined; and, having thought about going to Cherry Creek Ranch but they also don't have the equipment. Ms. Cluff asked how the Town went to the school before and spoke relating to hiring someone to video record the meeting. Kay Bigelow, Town Attorney, spoke relating to the agenda item being for the two options proposed by staff, not about different locations.

Mayor Nolan spoke relating to the motion not working because there is a proclamation to keep Town Hall closed.

Vice Mayor Lance spoke relating to the motion being for plexiglass, not to open Town Hall, and her preference that the plexiglass be up permanently. Councilmember Brooks requested a ruling from the Town Attorney. Ms. Bigelow stated that this does not preclude anything in the proclamation and that it wouldn't be utilized until meetings move back into the Chambers, but it is not excluded from a vote.

Nancy Wright spoke relating to her thought that Council had voted not to do this but Council had voted to get the amount that it would cost; and, having thought that at the last meeting, Council had determined that it would not do the partitions. Councilmember Brooks responded relating to Council having decided not to vote on it until costs were received; costs having come back now, with two options; the motion being to approve Option 2; and, that Council is voting which option to go forward into the future. Vice Mayor Lance spoke relating to there having been a tie vote to do it, while the second motion was to find out the cost to do it; and, doing this for future Councils.

Councilmember Collins spoke relating to the possibility of the internet crashing and Council needing to take an emergency vote but being unable to.

The motion to accept Option 2 and to adapt the Council Chambers accordingly passed on a roll call vote 6-1. CM Brooks – aye; CM Collins – aye; CM Hughes – aye; CM McBrady – aye; CM Wendt – aye; VM Lance – aye; Mayor Nolan – nay.

D. Discussion and possible action to reopen Town Hall to the public and the Town Council for all public meetings and normal business operations (CAARF – Councilmember Brooks)

Mayor Nolan stated that agenda item 9.D. doesn't apply [due to the emergency proclamation]. Councilmember Brooks noted that she was going to ask to withdraw the item because of the new proclamation; she spoke relating to asking all Councilmembers if they have any more input; and, being in violation of the Code by not asking for public input after every item.

An expletive was said in the background. Councilmembers discussed and requested who it was; no one spoke.

Mayor Nolan spoke relating to not having bypassed any step of letting anyone speak.

E. Discussion and possible action relating to the Fiscal Year 2020/21 Tentative Budget, to move budgeted funds from Account Number 10-417-4995 (Information Technology COVID-19 Reserve) to Account Number 10-499-9995 (Non-Departmental Cost Overruns Contingency) in cases where members of the Council do not want or won't use a notepad computer (CAARF – Councilmember Collins)

Councilmember Collins introduced the item as follows: not being able to use a notepad computer due to physical disability and wanting to see if others don't want it; putting the money into the cost overrun contingency so it is available if needed in an emergency; and, not wanting funds to be tied up for a notepad that she would not use when it should be going to where it is more readily available in the contingency.

Councilmember Brooks spoke relating to the purpose of having the Town Clerk be able to copy emails and have them on file lifting a burden on Councilmembers for public information; not extending money on notepads at this time; and, not needing duplicate processes.

Ms. Bigelow spoke relating to Council being able to clarify tonight and vote during final budget adoption.

Vice Mayor Lance spoke relating to not having a problem with or without the notepads; saving on paper as everything would be on the notepads; and, the \$12,000 possibly being used to pay staff hazard pay.

Mr. Hanks spoke relating to revisiting the budget in the middle of the year and possibly doing line item transfers at that time where the money is needed if Council chooses not to go with notepads.

Councilmember Brooks asked the Town Clerk about how Council emails are recorded. Tim Mattix, Town Clerk, confirmed that the emails are maintained electronically rather than in hard copy. In response to Mayor Nolan, Mr. Mattix stated that emails don't need to be printed for an information request; when they are in electronic format, they are converted in PDF format and provided electronically.

Vice Mayor Lance spoke relating to the saving on paper being for future Council packets.

Nancy Wright spoke relating to the current Councilmembers not necessarily being on Council and a future Councilmember potentially wanting one; and, if they are purchased, to purchase all seven so they are available.

Mayor Nolan spoke relating to the Town accessing computers for emails also allowing access to financial status and other communications; providing just the notepad when there is a request for information; and, noted that Council will wait until the budget to vote on it.

F. Discussion and possible action relating to the Mayor ignoring Centers for Disease Control (CDC) guidelines/Town emergency proclamations by coming in to Town offices (CAARF – Councilmember Collins)

Councilmember Collins introduced the item as follows: a member of the public asked for this agenda item; wanting to make sure that everybody who has to go in to Town Hall has to make an appointment; wanting to make sure that the Mayor is making an appointment like everyone else; asked why the Mayor has to be there when there is no Town Management present; and, having had past problems with the Mayor and harassment.

Mayor Nolan spoke relating to having never harassed staff.

Ms. Bigelow spoke relating to not getting off the agenda item; the agenda item being for what the parameters of the closure of Town Hall; and, the wording in the proclamation. She also spoke relating to the issue being what the proclamation requires; and, it being an informational item rather than an action item.

Councilmember Collins spoke relating to making sure that staff is protected. Mayor Nolan and Councilmember Collins discussed it further. Ms. Bigelow requested Council not get off the agenda item.

Vice Mayor Lance asked if everyone who comes in follows CDC guidelines for social distancing and masks. Mr. Hanks responded that, in order to keep social distancing, staff is limiting everything to one person in the lobby at a time; people show up and call, and, if staff is working with someone in the lobby, will ask them to wait and rotate people in and out. He also spoke relating to 60-75% of the people coming in with masks; and, staff doing the best they can with social distancing. Vice Mayor Lance clarified that everyone who enters is wearing a mask; Mr. Hanks responded that they are not necessarily; those who come back in to the office do have masks.

Leigh Cluff spoke relating to not going in to Town Hall but having staff bringing paperwork out to her; having called ahead of time but having to wait for 30 minutes for the Mayor to finish; the Mayor having walked over and shook the hand of someone else who was in the parking lot and that individual thinking it was wrong. Mayor Nolan responded relating to having to wait in line sometimes; Ms. Cluff asked the Mayor what he was in the office for. Ms. Bigelow spoke relating to the discussion being beyond the agenda item and the Mayor not having to explain why he was in Town Hall.

After the meeting, Town staff downloaded the meeting video from Zoom. Additionally, Town staff attended the meeting in the Council Chambers and utilized the video recording system; the video recording system recorded all audio from the Council discussions and actions, and video of staff.

A **3 minute** per speaker limit shall be imposed. Everyone is asked to please be courteous and silent while others are speaking.

No one spoke.

4. **Study Session** Study Sessions are held for the purpose of detailed review and Council discussion. As such, Council may discuss and provide feedback on any matter listed on the agenda. No final decisions or voting occurs at Study Sessions. Agenda language may vary from that in CAARFs for Open Meeting Law purposes.

A. Presentation and discussion: Arizona Public Service Company (APS) Fire Mitigation Efforts, presented by Robbie Houle, Prescott Operations and Maintenance Supervisor

Robbie Houle, APS, noted that there are P3 (what the Forest Service calls Stage 2) fire restrictions in place. The Town electrical run, PJ1, is 48 miles. This year, navigators are on wires; they blink to tell APS where the fault is, shortening outage time. So far, the state has had over 430 fires with 32,000 acres more than last year. He is looking for a much shorter duration if there are issues that affect the PJ1 line; APS has put up several different assets that will help re-energize the Town's side of the wire. He played a YouTube video (https://www.youtube.com/watch?v=jzZQtz_JL7o&feature=youtu.be) entitled APS Wildfire Preparedness and Response Presentation 2020; due to technical difficulties with audio, the entire video was not played. The video included information about vegetation management, detailed line inspection, annual elevated fire condition controls, customer programs such as Firewise and Ready, Set, Go programs, and creating defensible space around utility poles. Purposes for defensible space around poles include ensuring that a spark will not ignite a fire at the base of the pole and to protect the pole and equipment from oncoming wildfires. The video also discussed the Right Tree, Right Place program.

Mr. Houle discussed the defensible space effort in the area that affected the Town's system last year; it is extremely successful at limiting any kind of fire. APS has done a lot of work on the system and there is continuing work in that area. He requested that people reach out to him to discuss what's going on if there is an issue.

Councilmember Collins asked if APS pays to take down a problem tree in the APS easement; Mr. Houle responded that the property owner pays to take it down, but that if the tree is really encroaching on the system, he would have the APS Forestry Department look at it to see what can be done.

B. Review, discussion and Council input of the Facility Use Policy and Application (Staff CC)

Ed Hanks, Town Manager, stated that the facility use policy and application was approved by Council in 2008; a number of current practices don't match with the policy and there are discrepancies within the policy that need to be cleaned up. Staff is seeking Council input.

Vice Mayor Lance asked if a rental fee is charged for Town Hall; Mr. Hanks confirmed that the policy has a \$20 per event fee and discussed the Use Agreement; discrepancies in the policy; and, the Library managing their own groups.

Councilmember Collins discussed technical issues in the policy, including a reference to the Chief of Police, contradicting language about food and beverage, and different capacities for the Library. She also spoke relating to the \$20 per event fee being low and an area of the policy saying that it is to be paid in hourly increments; and, asked about people renting a portion of the parking lot and how that would fit into the policy. Mayor Nolan responded that the parking lot is not Town property; if the Town builds the new building, then the Town will be able to control the parking lot. Councilmember Collins discussed working on the policy now to handle problems before they come up. In response to Councilmember Collins, Mr. Hanks stated that staff will look into it.

Councilmember Brooks spoke relating to the Town's rental agreement including parking spaces and the Library rental agreement including the parking area. She also spoke relating to including areas such as Main Street or open areas in the policy. Mr. Hanks responded that streets and right-of-way fall under the Town's Special Event Permit.

Councilmember Wendt spoke relating to inconsistencies for fees and \$20 being adequate; the government not making a profit off of something for the community; and, there being areas that need to be refined and simplified.

Vice Mayor Lance asked about liability and if the Town will have an employee present throughout events for \$20. Kay Bigelow, Town Attorney, responded that the Town should make sure that the user covers liability and indemnifies the Town for damages that occur and spoke relating to requiring one-time insurance policies or only requiring insurance if liquor is being served or in other situations. Ms. Bigelow also spoke relating to allowing certain types of events, such as just meetings; and, the Town being included in any kind of lawsuit and needing to defend itself.

Vice Mayor Lance asked how the Town can differentiate or limit groups or events, such as with the advertising policy. Ms. Bigelow agreed and spoke relating to the difficulty of differentiating; and, the differences between meetings and social events and the types of refreshments, such as not allowing alcohol. Vice Mayor Lance spoke in favor of Town-only operations.

Councilmember Wendt spoke relating to a recent event at the Library relating to grape-growing and wine-tasting; staying with the existing policy-allowed organizations and keeping it to meetings only; and, not having weddings. Councilmembers Brooks and Wendt discussed the event at the Library.

Councilmember Collins spoke relating to the fee covering all Town expenses; not being comfortable with issuing a key to another party; the fee being reflective of the hourly wage of staff involved; and, leaning away from doing something that can open the Town up to unanticipated liabilities.

In response to Vice Mayor Lance, Mr. Hanks stated that a ballpark figure of a staff member's hourly wage would be \$18-20 per hour and noted his preference to have a staff member present rather than checking out a key. Vice Mayor Lance spoke relating to not issuing keys; one employee not being safe enough in certain cases, depending on the entity renting it; and, not seeing a benefit to the Town for non-Town operational meetings.

Councilmember Collins spoke relating to there not being a lot of meeting space available for rent and it being for a government function, such as with the Town Newsletter.

Councilmember Hughes spoke relating to having only a little bit of room; not being able to control who will be renting it from the Town; and, leaving it for Town purposes only.

Mayor Nolan spoke relating to the Town being for the public; letting facilities be used; charging organizations the next time if anything is destroyed or damaged; and, entities like the Lions and Firewise who would rent the room.

Mr. Hanks noted that, based on tonight's input, staff will work with Ms. Bigelow to put together options for Council to refine at a future meeting.

Vice Mayor Lance spoke relating to the situation in the world and not being able to come back to make someone pay if needed; and, not seeing anything but Town use being an option at this time.

Councilmember Collins spoke relating to liability; and, not knowing that Council needs to discuss it again.

Councilmember Wendt spoke relating to requiring insurance just as with Special Events. Vice Mayor Lance noted noise in the background and requested that it be rectified. Mayor Nolan stated that the background noise is from the user named ABBA; trying to keep ABBA muted but that she is playing games with him and unmuting herself; and, that maybe next time she won't be let into the meeting. Councilmember Wendt continued, speaking

relating to disagreeing with taking the opportunity away from civic organizations; staff working with the Town Attorney to clean up the existing policy; there not being enough meeting places in the Town; this being a central location; feeling that it needs to stay within the Town; and, asked about people and organizations who have rented the facility. Mr. Hanks responded that maybe six groups have rented; and, that no one off the wall has rented it as of yet. In response to Vice Mayor Lance, Mr. Hanks stated that of those groups, three were organizations within the Town limits.

Vice Mayor Lance spoke relating to there being two or three places that can be rented in the Town; limiting it to Town organizations such as the Planning and Zoning Advisory Commission and Board of Adjustment; there being potential for abuse; and, the Town needing to have an employee present and not feeling one employee is safe.

Councilmember Wendt spoke relating to Friends of the Library and the Environmental Protection Agency being eliminated if the policy is approved.

Councilmember Hughes spoke relating to staff bringing back a couple of different options for Council to work on.

Councilmember Collins noted that the user ABBA has had their hand up and may have something to say about this; and, not wanting anyone to be censored or threatened to be expelled. Mayor Nolan and Councilmember Collins discussed this further.

Councilmember Brooks spoke relating to it going back to staff and the Town Attorney to redo and see if some meetings with groups like Firewise, Friends of the Library and other groups that may evolve in the future can be allowed; and, a small meeting area being more appropriate for some small groups in Town.

C. Review, discussion and Council input on a process for Special Event Liquor License applications. Topics that may be included in the discussion include establishing a Code or policy and fee, and delegation of authority (Staff CC)

Mr. Hanks noted that prior to COVID-19, a couple of groups asked about a special event liquor license; the topic was taken to Council on September 11, 2018, with the Town Manager leaving before it was brought back. Mr. Hanks spoke relating to staff wanting to set up a policy or Code requirement that would lay out timeframes and delegation of authority; and, staff seeking input on fees and whether or not Council approval is required.

In response to Vice Mayor Lance, Mr. Hanks clarified that the Arizona State Liquor Board has a special event liquor license, which refers back to jurisdictional policies. Vice Mayor Lance stated her support of having a policy in writing. Ms. Bigelow spoke relating to this often being in addition to a Special Event permit and for a temporary use on a property that does not have a liquor license.

Councilmember Collins asked about the public notice process for Council or staff approval; Mr. Hanks responded that staff will go over it with the Town Attorney to make sure rules and requirements meet state guidelines.

Councilmember Wendt asked if a license is required for a wedding reception at a person's home; Ms. Bigelow responded that if it is a social event and the liquor is not being served or a family event, it would not be required.

Mr. Hanks summarized that staff will set up two options for Council review, one for staff approval and one for Council approval.

5. Consideration of additional Special Session(s) Whether to hold and, if so, set the date

Councilmembers did not schedule a Special Meeting.

Agenda Item: 9.B.

Submitted by: Edward L. Hanks, Jr., Town Manager

Subject:

Review, discussion and possible direction to staff relating to a Code of Ethics/Code of Conduct.

Background:

Throughout the Town's history, the Town has had Code provisions addressing a Code of Ethics for public officials. Currently, Resolution No. 17-126 is in effect.

At the June 16, 2020 Council Meeting, Council considered a CAARF relating to bringing back the previous Conduct and Ethics provision. Council voted to direct staff to draft or come back with something that Council can look at that might be useful, including comments from a member of the public (Judy Kerber).

Due to the wide scope that may be included in a Code of Ethics/Code of Conduct discussion, staff is providing Council with options from other municipalities. Tonight's agenda item is for Council to discuss and provide direction to staff regarding the types of provisions that Council would like to include, be they ethics- or conduct-related.

Financial Impact:

The financial impact is undetermined at this time.

Direction Requested:

Staff is seeking Council direction on the types of provisions that Council would like to include in a Code of Ethics/Code of conduct.

4. Councilors shall refrain from making negative personal comments about other Councilors that go beyond appropriate criticism of another Councilor's opinion or position on a matter.

F. PUBLIC COMMUNICATIONS

1. When speaking publically regarding City issues, Councilors will inform their listeners that **"any expressions of opinion can only be attributed to me and do not necessarily represent the position or opinion of the City Council or City staff,"** or words to that effect.
2. When writing an item for publication, such as a letter to the editor, Councilors will conclude their written statement with the disclaimer **"Any expression of opinion that may be read into this article can only be attributed to me as the author and does not necessarily represent the position or opinion of the City Council or City staff,"** or words to that effect.
3. Articles assigned to be written by Councilors, such as City Talk, will include the disclaimer as outlined in Section F, Paragraph 2 above, and will be distributed to all local media through the City Manager's Office.

G. COUNCILOR CONDUCT WITH CITY STAFF

1. Councilors shall treat all City staff as professionals.
2. Councilors shall refrain from personal public criticism of an individual employee that goes beyond appropriate criticism or questioning of his/her position on a City matter. Concerns about an employee's performance should be discussed in private and should be brought to the attention of the City Manager.
3. Councilors should attempt to avoid unnecessary or prolonged disruption of City staff from their jobs. Councilors should not disrupt City staff while they are in meetings, on the phone, or engrossed in performing their duties, unless there is a compelling time-sensitive concern that must be addressed immediately.
4. Councilors should refrain from involvement in administrative functions. Councilors must not attempt to unduly influence City staff on the making of appointments, awarding of contracts, selecting consultants, processing of development applications, or granting City licenses and permits. However, this does not preclude City Council members from being involved in such decisions

when they are part of a committee that has been formed for the purpose of recommending the selection of a professional firm or recommending the hiring of a key staff member. In being part of that committee it is understood that they will be impartial and make their recommendation based on the merits of the applicants and will recuse themselves from the process if there is a conflict of interest.

5. Upon receipt of a citizen's complaint, a Councilor may refer the complaint to the City Manager for review and response. Before responding to a citizen complaint, Councilors should check with the Mayor or City Manager to see if any action has already been taken on the issue. Copies of any response may be provided to other Councilors and the City Manager.

H. RESPONSE TO COMMUNICATIONS FROM THE PUBLIC

1. Councilors are strongly encouraged to acknowledge telephone, letter and electronic communications from the public.
2. When responding to such inquiries regarding City issues, Councilors should indicate a disclaimer such as: **"Any expression of opinion that may be read into this response can only be attributed to me as the author and does not necessarily represent the position or opinion of the City Council or City staff,"** or words to that effect.
3. Individual Councilors may respond to correspondence that has been directed to the entire City Council. Councilors should qualify any response they make which contains their personal opinions as opposed to any official position of the City.
4. Councilors shall always be courteous and professional in any correspondence or interaction with members of the public.

I. REFERRAL OF CITIZEN COMPLAINTS CONCERNING CITY SERVICES

When contacted by a citizen concerning a complaint regarding a City service, Councilors will notify the City Manager of the complaint and inform the citizen that his/her concern has been forwarded to the City Manager's Office. The City Manager should inform the referring Councilor of what action may have been taken.

J. IMPROPER INFLUENCE

1. A Councilor may not use City staff or letterhead to support personal or non-City functions or fundraisers.
2. Councilors shall not use their official office as a means of advancing personal opinions through public statements whereby an inference can be drawn that they are speaking on behalf of the City. Any such public statements shall contain clear language indicating that such statements are the opinions and comments of the individual and are not necessarily the position of the City of Sedona.

K. GIFTS

1. Councilors shall not, except pursuant to such reasonable exceptions as are provided by regulation, solicit or accept any gift or other item of monetary value

from any person or entity seeking official action from, doing business with, or conducting activities regulated by the City of Sedona, and whose interests may be substantially affected by the performance or nonperformance of the Councilor's duties.

L. ENFORCEMENT OF THE RULES OF PROCEDURE

1. City Councilors who fail to follow these Rules of Procedure are subject to both private reprimand and formal censure. It is at the discretion of the Mayor to initiate action if a Councilor's behavior is called into question by another Councilor. When this occurs, the Mayor will discuss the behavior with the concerned Councilor whose actions are being questioned and may issue a private reprimand. If the Mayor is the individual whose actions are being questioned, the same procedure will be followed after a Councilor expresses a concern to the Vice Mayor.
2. If, after a second private reprimand concerning the same behavior, the conduct continues, the matter shall be referred to the City Council to consider whether a public censure is appropriate. Any public censure for violation of these Rules of Procedure can only take place upon a (two-thirds) vote of the entire City Council.

CODE OF CONDUCT FOR ELECTED OFFICIALS AND ADVISORY BOARD MEMBERS CITY OF HOLBROOK, ARIZONA

SECTION 1: The City of Holbrook Ethics Policy

It is the policy of the City of Holbrook to uphold, promote and demand the highest standards of ethics from all of its officials, whether elected to the City Council or appointed to advisory boards. Accordingly, all members of City boards, commissions, committees and members of the City Council shall maintain the utmost standards of personal integrity, truthfulness, honesty and fairness in carrying out their public duties, avoid any improprieties in their roles as public servants, comply with all applicable laws, and never use their City position or authority improperly or for personal gain.

The City of Holbrook and its elected and appointed officials all share a commitment to ethical conduct and service to the City of Holbrook. This code has been created to ensure that all elected and appointed officials have clear guidelines for carrying out their responsibilities in their relationships with each other, with the staff, with the citizens of Holbrook, and with all other private and governmental entities.

SECTION 2: City Council Relationships

A. Intra-Council Relationships

The Mayor and City Council, hereinafter referred to as “the Council” have a Charter responsibility to set the policies for the City. In doing so, certain types of conduct are beneficial and certain types are destructive. The City Council is responsible to take the high road on Intra-Council conduct and treat other council members as they would like to be treated.

Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions and goals. Despite this diversity, all have chosen to serve in public office and have the obligation to preserve and protect the well being of the community and its citizens. In all cases, this common goal should be acknowledged and the Council must recognize that certain behavior is counterproductive, while other behavior will lead to success. The following are examples of how the Council Members should relate to one another:

- Practice civility and decorum in discussion and debates.
- Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of an effective City Council. However, City Council Members who are belligerent, impertinent, slanderous, threatening, abusive, or who engage in personal or disparaging attacks

Adopted by Ordinance 01-20-2009

on other Council members denigrate the process and preclude effective discussions and the successful resolution of issues.

- Every council member has the right to an individual opinion, which should be respected by the other Council Members. Council Members should assume the other members of the Council have the appropriate motives and interest of the public in mind and not criticize differing opinions because they believe them to be lacking in judgment or improperly motivated.
- An issue may be contentious without being hostile, degrading or defamatory.
- The Council should act as cooperatively as possible and may be required, from time to time, to modify to some extent their positions so that a decision can be reached. Compromise in a Council Member's position does not indicate dishonesty or lack of integrity, but does indicate a recognition of the realities involved in reaching a consensus or decision in the best interests of the community.

B. Council Action in the Public

The City Council Members are expected to demonstrate, not only publicly but privately, their honesty and integrity and be an example of appropriate and ethical conduct. A Council Member should not personally criticize other Council Members, nor impugn their integrity. Council Members should treat each other with respect when discussing council issues outside of Council meetings, and should convey to the public their respect and appreciation for other Council Members and their positions.

Council Members must ensure that in expressing their own opinions they do not mislead any listener into believing that their opinion is the opinion of the Council unless the Council has taken a vote on that issue and the Council Member's opinion is the same as the decision made by the Council. Likewise, no Council Member should state in writing that Council Member's position in a way that implies it is the position of the entire City Council. A City Council Member has the right to state a personal opinion, and has the right to indicate that he/she is stating such as a member of the Council, but must always clarify that he/she is not speaking on behalf of the City or the City Council unless authorized by the Council to do so.

C. Council Conduct with City Staff

Governance of the City relies on the cooperative efforts of elected officials who set policy and the City staff who implements and administers the Council's policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each other for the good of the community. The following are examples of how the Council should relate to the staff:

- The Council Members should treat all staff as professionals. Clear, honest communication that respects the abilities, experience and dignity of each staff member is expected. Poor behavior or comments toward staff are not acceptable.
- Staff works within a chain of command under the ultimate direction of the City Manager. Since the City Manager is the principle administrator in the City,

the City Council should generally direct questions and suggestions to the City Manager and allow the City Manager to assign out those tasks or responsibilities.

- When Council Members give specific direction to a staff member the Council Members may in fact be giving direction contrary to direction already given to the staff member by a superior, or may be giving direction to the staff member which the staff member knows to be ineffective or inappropriate. The Council should attempt to work through the City Manager for all communication with the staff and expect the City Manager to be responsive to the Council's needs, questions and comments.
- The City Council should never publicly criticize City employees from the City Manager through the front line staff members. Public criticism of City employees leads to poor morale of the City employees, undermines their effectiveness with the public and is detrimental to their performance and to the ability of the City Manager to administer the City and implement Council policy.
- If a City Council Member has a question regarding a matter that is on a City Council agenda, the City Council Member should contact the City Manager prior to the meeting and indicate the concern or question that the City Council Member has to the City Manager, so that the City Manager can either research the question and be prepared to provide an answer, or have a staff member research the question and be prepared to provide an answer.
- The City Council should not attempt to influence the decisions or opinions of City staff members on issues that may come before the City Council.
- Council Members should avoid attending City staff meetings unless they are requested by the City Manager to attend, and should also avoid attending advisory committee meetings because of the likelihood that the members of the committee will be affected by the Council Member's attendance.
- The City Council should avoid asking for information which will unduly burden the staff and, when asking for information, should go through the City Manager.
- The Council Members shall not exert any influence on the City Manager on issues relating to hiring, promotion, or discipline of City employees.
- Nothing herein shall be interpreted to be in conflict with the provisions of Section 3.07 of the Charter, which specifically provides that the Council and its members may deal with the administrative services of the City for the purpose of inquirey, investigation or report.

D. Council Conduct in City Council Meetings

The Mayor shall conduct all City Council Meetings. Council Members shall address all comments through the Mayor. Only the Mayor, no individual Council Members, may interrupt a speaker during a presentation. However, a Council Member may ask the Mayor for permission to question the speaker.

Making the public feel welcome is an important part of the democratic process. No signs of partiality, prejudice or disrespect should be evident on the part of individual Council Members toward an individual participating in a public forum. Every effort should be made to be fair and

impartial in listening to public comments. The Council should listen to comments from the public and concerns raised by the public or disagreements voiced by the public. Council Members should also ask for clarification if they do not understand the comment.

However, the public should not be allowed to launch any personal attacks against any members of the Council during any public meeting, nor should Council Members disparage or insult members of the public during any Council meetings.

The Mayor shall maintain order in all City Council meetings and shall take reasonable steps to ensure compliance by the public, staff and Council Members. This may include an indication that a comment is out of order and a ruling by the Mayor that in the event such inappropriate comments continue the interrupting party may be ordered removed from the premises.

E. Sanctions

Council Member behavior and conduct in City Council meetings and outside City Council meetings is subject to sanctions set out in this Code of Conduct. The preceding section regarding the conduct of elected officials not only sets out principals and examples of proper conduct or improper conduct, but also constitutes enforceable guidelines, not merely suggestions.

All Council conduct in and out of Council meetings must be in compliance with the open meeting law (see Section 7 and Exhibit A).

If a Council Member intentionally violates the principles and guidelines set out herein, that Council member is subject to the sanctions set out in this code.

SECTION 3: Boards and Commissions

In accordance with Section 2.07 of the Charter, the Mayor shall appoint volunteer members to various committees, board and commissions after due official notice to the public and with consent of the Council. These members can provide substantial contributions to the Council and to the welfare of the entire City.

Committee and commission members are encouraged to attend all meetings, be prepared for all discussions in those meetings, and to follow the same principles and guidelines that are set out in the preceding sections for Council Member conduct.

Commission and committee members are subject to the sanctions set out herein.

SECTION 4: Ethics Policy and Conflict of Interest

It is the policy of the City of Holbrook to uphold, promote and demand the highest standard of ethical behavior from its Mayor, members of its City Council and individuals appointed to serve on City boards and commissions. Honesty, integrity and fairness are hall

marks of public service. Use of one's office or position for personal gain or inappropriate influence will not be tolerated and is prohibited.

All City officials shall obey and observe the letter and spirit of the Constitution of the United States, the Constitution of the State of Arizona and all federal, state and local laws, codes and ordinances, including this Code of Conduct. A listing of key public service ethics laws and other specific laws governing the conduct of public officials are listed in Exhibit A attached to this code. (Exhibit A is offered for reference only and is not intended to be an inclusive list of statutory obligations or limitations on Council conduct.)

As a prerequisite for exercising any power of office, each City official is required to read and agree in writing to comply with the provisions of applicable laws, regulations, policies and this Code of Conduct, as well as to participate annually in continuing education workshops regarding public service ethics and applicable state laws.

SECTION 5: Conflicts of Interest

A conflict of interest arises when a City official, a relative of that official, or an entity in which a City official has a substantial interest is actively engaged in an activity that involves the City's decision-making process. "Decision-making process" is broader than just voting, and includes, inter alia, being involved with any aspects of any decisions the City makes, including contracting, sales, purchases, permitting, zoning, transactions in City owned property, discussions and negotiations with various business interests, and relationships with other governmental entities.

When a conflict of interest arises, the City official involved must immediately refrain from participating in any manner in the City's decision-making processes relating to that issue. The City official should not participate in any discussions of the matter, nor vote on the matter. Likewise, the City official should not provide any opinion or suggest any conduct to be taken by any member of the City Council or any City employee, contractor or agent, officer, staff member, commission member or any other advisory group to the City when such a conflict involves the City official.

In addition, the City official shall declare the specific nature of the possible conflict by either stating on the record in a public session the nature of the conflict or by providing a written disclosure of the conflict to the City Attorney and the City Manager.

In situations where said official has questions about the applicability of this Code of Conduct or the provisions in other Arizona conflicts of interest laws or any other questions regarding a possible conflict, the City official may seek the advice of the City Attorney on whether a conflict of interest exists. City officials are also strongly encouraged to avoid involvement in situations where conduct is not a technical conflict of interest, but where active participation might raise the perception of undue influence or impropriety.

All Council Members and members of City boards, commissions and committees shall complete and file with the City Clerk a Personal Interest Disclosure Form (a copy of which is

attached to this code as Exhibit B) prior to officially participating in a public meeting, and annually before January 31st of each year of service to the City.

SECTION 6: Acceptance of Gifts or Other Consideration for Public Action

City officials are prohibited from soliciting, receiving or accepting personal gifts of any kind from anyone who is engaged in a general practice or specific situation that involves the City's decision-making or permitting processes. The term "gifts of any kind" includes money, services, loans, travel, entertainment, hospitality including meals, promises of any future gifts, or anything of value that might be construed as an attempt to create a more favorable relationship than that enjoyed by any other citizen, including the purchase, sale or lease of any real or personal property by the City official, by the City official's relative or by any entity in which that official has a financial interest at a value below or above that available to the general public. Nor may the City official receive employment and/or services, contracts or direct or indirect benefits from any person or entity in exchange for any acts, conduct, or efforts made by the City official in the official's capacity, nor shall the City official allow any of that official's relatives or an entity in which the official or relative has a financial interest to be so benefited.

SECTION 7: Open Government

The citizens of Holbrook expect and deserve open government. Arizona has an official public policy "that meetings of public bodies be conducted openly," and that any doubt should always be resolved "in favor of public meetings".

Therefore, City officials shall conduct themselves in a manner that fully adheres to and preferably exceeds state laws concerning open meetings and transparency of actions. City officials are encouraged to employ a "mindset of openness" in conducting the affairs of the City and should be cautious before voting to hold a portion of a meeting in executive session. If a matter can be discussed in open session without damage to the public interest, public officials are encouraged to do so. Moreover, City officials are reminded that any attempt to circumvent the open meeting law, such as by using electronic technology, a "hub and spoke" scheme, or any other technique involving less than a quorum designed to communicate with the quorum of a public body will violate the open meeting law and is prohibited. City officials are reminded that any time a quorum of a public body is present in one location, or is in communication by telephone, e-mail, or by other means, and either propose, discuss, consider or vote on any City issue, that such conduct constitutes a violation of the open meeting law and is prohibited.

Please note that the Arizona Open Meeting Law (see Exhibit A) prohibits a discussion in a meeting on any item which is not listed on the agenda unless it is reasonably related to an item listed on the agenda. "Reasonably related" requires that reasonable members of the public would or should expect such "reasonably related items" to be discussed under the published agenda item. This ensures that members of the public will have adequate notice of the possible discussion so that they can decide whether they wish to attend the meeting in question.

The City Attorney is directed to vigorously promote and enforce state laws regulating open meetings, and be assertive in ensuring strict adherence to those laws reflecting the City's "mindset of openness".

During a person's employment or service with the City, and for two years thereafter, no member of a City board, commission, committee, or of the City Council may disclose or use confidential information without appropriate authorization. "Confidential information" includes certain economic development information and other non-public information that may affect the City's economic interests.

SECTION 8: Preservation of Public Records

Consistent with the Arizona Public Records laws, written communications between public officials and private citizens, or between public officials and other public officials on matters involving the affairs of the City are considered public documents. Such written communications shall be preserved in compliance with the City's document retention policy and made available for review upon request.

"Written communications", as used above, includes City related documents, memos and e-mail messages and attachments originating from or received by elected or appointed officials on any publicly or privately owned equipment at City Hall, at the City official's place of employment, private residence or at remote locations. Destruction of such communications prior to expiration of the time period specified in the City's document retention policy is prohibited.

SECTION 9: Enforcement of this Code of Conduct

A. Filing of Complaints

Any person who believes a City official, in his/her official capacity, has violated a requirement or prohibition or guideline set out herein, or any other federal, state or local law may file a sworn complaint with the City Attorney identifying 1) the complainant's name, address and telephone number; 2) the name and position of the City official who is the subject of the complaint; 3) the nature of the alleged violation, including the specific provision of this code or law allegedly violated, and 4) a statement of facts constituting the alleged violation and the dates on which, or period of time during which the alleged violation occurred.

Attached to the complaint the person making the complaint shall provide all documents or other materials in the complainant's possession that are relevant to the allegation, a list of all documents or other materials relevant to the allegation that are available to the complainant but not in the complainant's possession, and a list of all other documents or other materials relevant to the allegation but unavailable to the complainant, including the location of the documents if known, and a list of witnesses, what they may know, and information to contact those witnesses.

The complaint shall include an affidavit at the end of the complaint stating that the "information contained in the complaint is true and correct, or that the complainant has good reason to believe and does believe that the facts alleged are true and correct and that they constitute a violation of the ethics code, guidelines set out therein, or federal, state or local law or ordinance." If the complaint is based on information and belief, the complaint shall identify the basis of the information and belief, including all sources, contact information for those sources, and how and when the information and/or belief was conveyed to the complainant by those

sources. The complainant shall swear to the facts by oath before a notary public, or before the City Clerk. The notary public or City Clerk shall verify the signature.

B. Time for Filing

A complaint under this code must be filed no later than one year from the date of discovery of the alleged violation. However, anyone having information on which a complaint is based is encouraged to file the complaint as soon as the information is obtained so that immediate action may be taken by the Council or the appropriate staff member or agency. The delay in filing a complaint may be considered in determining the sanction to be imposed.

C. False or Frivolous Complaints

A person who knowingly makes a false, misleading or unsubstantiated statement in a complaint is subject to criminal prosecution for perjury and possible civil liability. If, after reviewing an ethics complaint, it is determined that a sworn complaint is groundless and appears to have been filed in bad faith or for the purpose of harassment, or that intentionally false or malicious information has been provided under penalty of perjury, the City Attorney may refer the matter to the appropriate law enforcement authority for possible prosecution. A City official who seeks to take civil action regarding any such complaint shall do so at his or her expense.

D. Complaints Against Members of Boards, Commissions, Committees, Task Forces or other Appointed Advisory Groups.

1. Initial Screening of Complaints - The City Attorney shall review each complaint filed alleging a violation by a member of a City board, commission, committee, task force or other appointed advisory group, and within 15 business days either 1) return it for being incomplete; 2) dismiss it if the complaint, on its face, fails to state allegations that if true would violate a mandatory requirement or prohibition of this code, 3) dismiss it as being without merit and refer it to the appropriate authorities for action against the complainant if the City Attorney determines that the complaint was false, misleading, frivolous or unsubstantiated, 4) refer alleged violations of Arizona or federal laws to an appropriate law enforcement agency if the complaint states, on its face, allegations that, if true, would constitute a violation of Arizona or federal law, or, 5) if the complaint states, on its face, allegations that, if true, would constitute a violation of a mandatory requirement or prohibition of this code, take action as set forth below.

2. Investigation of Complaint - After completion of the initial review of the complaint as set out above, the City Attorney shall investigate the allegations and within thirty days submit to the Council, complainant, the official who is the subject of the complaint, and the City Clerk a report with findings of fact, conclusions of law and a recommendation. The City Council shall consider the City Attorney's report at a public meeting. Upon review of the report and following a discussion, if the City Council, by motion, concludes that there is a violation of this Code, the City Council may remove the member from the City board, commission, committee, task force or other appointed advisory group. In

resolving the complaint, the totality of the circumstances shall be taken into consideration, including the intent of the person accused of the wrong-doing.

3. Complaint and City Attorney Report are Public Records - On the same day the City Attorney notifies a complainant of the action taken on a complaint as set forth herein, and on the same day the City Attorney issues a report to the City Council regarding a complaint against a member of a City board, commission, committee, task force or other appointed advisory group, or on the same day that the City Attorney refers a matter to an independent reviewer, the City Attorney shall issue a report to the City Council regarding the complaint and provide copies of the complaint and all supporting documentation to the City Clerk to be made a public record.

E. Complaints Against the Mayor and Members of the City Council.

1. Investigator Appointment - The City shall use independent, non-city personnel to handle complaints lodged against the Mayor and members of the City Council. The independent non-city investigator shall be appointed by the City Attorney.

2. Investigator Initial Action - The City Attorney shall immediately transfer any complaint filed against the Mayor or a member of the City Council to the City's independent investigator who will conduct the initial screening of the complaint and, within 15 business days, absent an extension granted by the City Council shall issue a report, including findings of fact and conclusions of law and recommend that the City Attorney handle the complaint in one of the following ways:

- a) Return the complaint to the complainant because it is not complete;
- b) Dismiss the complaint if, on its face, it fails to state allegations which, if true, would violate a prohibition or guideline as set out in this Code of Conduct;
- c) Dismiss the complaint for lack of merit and refer the complaint to the appropriate authorities for action against the complainant, if the independent investigator determines the complaint was false, misleading, frivolous, or unsubstantiated; or
- d) Refer any alleged violations of Arizona or federal laws to an appropriate law enforcement agency if the complaint, on its face, states allegations which, if true, would constitute a violation of Arizona or federal law.

Upon taking any of the above actions, the City Attorney shall submit a copy of the investigator's report to the official who is the subject of the complaint, unless, in the discretion of the City Attorney, to do so will impede a possible investigation of an alleged violation of Arizona or federal law.

3. Investigation - If the complaint appears valid on its face, the investigator shall conduct such investigation as he/she deems appropriate to determine the accuracy/truthfulness of the allegations made, and if such allegations violate any provision of this code or state or federal law. The independent investigator may request the assistance of the City Attorney in such investigation. The investigator shall then submit findings of

fact and conclusions of law to the City Attorney and the City Council.

4. Appointment of Hearing Officer and Presenting Attorney - If the investigator concludes that this code has been violated or that a violation of City, state or federal law has occurred, the City Attorney shall appoint a hearing officer to conduct a hearing on the matter. The City Attorney shall also designate an outside attorney to present the matter to the Hearing Officer on behalf of the complainant.

5. Rules of Procedure - The City Council will adopt written rules of procedure to govern the hearing process, including the right of a City official against whom a complaint has been lodged to respond to the complaint, attend any hearing, present witnesses and offer evidence, and be represented by counsel at his or her own expense.

The hearing officer shall conduct the hearing in accordance with the rules of procedure adopted by the Council. After completion of the hearing, the hearing officer shall make findings of fact and conclusions of law and transmit the same to the Council for a determination of the sanction/s to be imposed. The Council shall accept the findings and conclusions of the hearing officer as true and correct, but shall have the discretion to determine the appropriate sanction/s to be imposed. If the City official against whom the complaint was filed is exonerated by the hearing officer, the City may, in the discretion of the Council, pay part or all of the reasonable attorney's fees and costs incurred by the City official in his/her defense.

6. Penalties and Sanctions Policy - It is the intent of the City Council to educate and when necessary, discipline Council Members and members of boards and commissions appointed by the Council who violate this Code of Conduct. Discipline shall be progressive, from the least punitive to the most punitive measures, unless the Council believes that the progressive discipline does not provide the appropriate sanction because of the gravity of the offense, or because the Council does not believe the sanction would deter future misconduct. In all instances, the totality of the circumstances shall be taken into consideration in resolving the matter, including the intent of the one accused of wrong-doing.

7. Possible Penalties and Sanctions - The City Council shall determine the appropriate penalty or sanction for violations of this Code of Conduct. Possible sanctions may include an informal censure by the Council, which would only be made as part of a motion in a public meeting; a formal censure by the Council, which would be made by motion in a public meeting and then published in the City newspaper. The Council may also vote to impose a dollar fine on the Council Member, up to \$500.00. The Council may also vote to prohibit a Council Member's participation on the Council for a specified number of days or may vote to remove a Council Member from office in the event of the most serious violations of this code. The imposition of any of these penalties or sanctions will require five affirmative votes of the Council.

SECTION 10: Inclusion in City Charter

The City Council intends to submit this Code of Conduct to the voters for approval as an amendment to the City Charter which would incorporate this Code of Conduct by reference as an official policy of the City.

SECTION 11: Amendments to this Code

After this code is adopted by the Council, and passed by the voters as a provision of the Charter, the City Council shall have the authority to modify or amend portions hereof by ordinance upon recommendation of an independent citizen advisory board chosen in compliance with the City Charter and this Code of Conduct, with an affirmative vote of five members of the Council.

SECTION 12: Severability

If any provision of this code is found to be legally invalid, that provision shall be severed from this code and the remainder of this code shall remain in effect.

Town of Carefree CODE OF CONDUCT

PREAMBLE

It is the policy of the Town of Carefree to uphold, promote, and demand the highest standards of ethics and behavior from all of its officials, whether elected to Town Council or appointed to advisory boards, commissions or committees. Accordingly, all members of town council, advisory boards, commissions, and committees (“elected and appointed officials”) shall maintain the utmost standards of personal integrity, truthfulness, honesty and fairness in carrying out their public duties, avoid any improprieties in their roles as public servants, comply with all applicable laws, and never use their town position or powers improperly or for personal gain.

The Town of Carefree and its elected and appointed officials all share a commitment to ethical conduct in service to their community. This Code of conduct has been created to ensure that all elected and appointed officials have clear guidance for carrying out their responsibilities.

Elected and appointed officials are often called upon to make decisions that affect various groups and individuals. Balancing diverse constituent interests is a difficult task. While someone will always be disappointed in decisions, both elected and appointed officials shall adhere to ethical standards that eliminate disappointment borne of dishonesty, conflicts of interest, unfairness or illegality. Preservation of public trust is critical for the preservation of democracy.

All elected and appointed officials should strive to operate in the following manner:

- Honesty and Integrity: These characteristics shall be the primary values evident in the dealings of the elected and appointed officials on all issues. The public trust in the Town Council, advisory boards, commissions, and committees can be a reality only when public officials operate with honesty and integrity.
- Fairness, Impartiality and Respect: All issues and citizens shall be handled with fairness, impartiality and respect. Elected and appointed officials have an obligation to treat all citizens fairly, such as by dividing time reasonably among potential speakers on an issue at a public hearing or meeting. In reviewing, discussing and deciding issues, elected and appointed officials have an obligation to be accessible, open and direct, not only with the other members of the Town Council, advisory boards, commissions, and committees, but also to the citizens and business representatives who appear before them. The public is entitled to communicate with their public servants and understand the position of the Town Council, advisory board, commission, and committee members on issues before them.

- Effort: Elected and appointed officials have an obligation to attend meetings and to be prepared. It is expected that these officials will review the materials, participate in discussions and make an informed decision on the merits of the issue.

1. CODE OF CONDUCT

A. This Code of Conduct provides guidance on the standards of behavior that are expected and required from all elected and appointed officials of the Town of Carefree. This Code of Conduct applies to all elected and appointed officials in their dealings with:

- Each other,
- Town staff,
- Town residents,
- Media,
- Contractors,
- Vendors, and
- The general public.

B. The objective of this Code of Conduct is to enhance:

- The effectiveness of all elected and appointed officials of the Town;
- The credibility and accountability of the Town Council within the community;
- Mutual trust, respect, and tolerance between the elected and appointed officials as a group and between the elected and appointed officials individually and all of the other constituencies of the town.

C. The residents and businesses of Carefree are entitled to have fair, ethical, and accountable local government. Such a government requires that all elected and appointed public officials:

- comply with applicable laws and policies affecting operations of the government;
- be independent, impartial and fair in their judgment and actions;
- use their public office for the public good, not for personal gain;
- conduct public deliberations and processes openly, unless legally confidential, in an atmosphere of respect and civility

D. To this end, the Carefree Town Council adopted this Code of Conduct to encourage public confidence in the integrity of local government and its fair and effective operation.

2. CONFLICT OF INTEREST

A. Elected and appointed officials shall ensure they comply and are familiar with

the provisions of Arizona Revised Statutes § 38-501, et seq., which refer to all elected and appointed officials of a city who may have a "substantial interest" in any "contract, sale, purchase or service" to the city.

- B. In accordance with the provisions of Arizona Revised Statutes, an elected or appointed official who has a substantial interest must declare a conflict of interest and additionally refrain from voting upon or otherwise participating in approval of the contract, sale, or purchase. "Substantial interest" is defined as "any pecuniary or proprietary interest, either direct or indirect, other than a remote interest." A.R.S. § 502(11).
- C. Elected or appointed officials shall not take advantage of services or opportunities for personal gain by virtue of their public office that is not available to the public in general.
- D. Any elected or appointed official who has an interest in any business before the council or commission or committee with which that individual has a conflict of interest shall withdraw from any discussion, deliberation, or decision regarding said matter.

3. CONDUCT

- A. Elected and appointed officials shall treat people with respect, regardless of their race, age, religion, gender, sexual orientation, or disability, and should not unlawfully discriminate against any person or group of persons.
- B. Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, elected or appointed officials to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting or physical actions that could be construed as threatening will be tolerated.
- C. Elected and appointed officials shall fully participate in council, commission and committee meetings and other public forums while demonstrating respect and courtesy to others, practicing civility and decorum in discussions and debate, listening courteously and attentively, and engaging in effective communications.
- D. Elected and appointed officials shall not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly and should on all occasions avoid the appearance of such behavior.
- E. Elected and appointed officials shall be scrupulously honest in their use of town assets, funds, and equipment, and shall not misuse them or permit their misuse (or the appearance of misuse) by any other person or body.
- F. Elected or appointed officials shall not use town resources, including the

services of town staff, for private purposes or personal gain.

- G. Elected and appointed officials shall make impartial decisions, free of bribes, unlawful gifts, and narrow political interests and financial or other personal interests that impair independence of judgment or action.
- H. Elected and appointed officials shall not use their official position or the town's facilities for their private gain, or for the benefit of any individual, which benefit would not be available to any other member of the public in the same or similar circumstance.
- I. Elected and appointed officials shall not use or disclose confidential information gained in the course of or by reason of their official position with the town, including but not limited to, for purposes of advancing:
 - their financial or personal interest;
 - the interest of a business entity of which the elected or appointed official, or of which an immediate family member has an interest;
 - the financial or personal interest of a member of their immediate family; or
 - the financial or personal interest of any citizen beyond that which is available to every other citizen.
- J. Elected and appointed officials shall conduct the business affairs of the council, commission or committee of which they are a member in an open and public manner consistent with the letter and spirit of the Arizona Open Meeting Law. Elected or appointed officials may not use e-mail or other forms of communication to circumvent the Open Meeting Law requirements by exchanging e-mail or other forms of communications that involve discussions, deliberations or taking legal action by a quorum of the public body concerning a matter that may foreseeably come before the public body for action.
- K. Newly elected or appointed officials shall attend a briefing on the provisions of this Code of Conduct by the town attorney and/or the town administrator, and sign the attached acknowledgement that they have read, understand, and will comply with the provisions of this Code of Conduct.
- L. All elected and appointed officials shall sign the acknowledgement appearing at the end of this code of conduct upon its enactment and annually reaffirming that they have read, understand, and will comply with the provisions of this Code of Conduct.

4. COMMUNICATIONS WITH STAFF

- A. Treat all staff as professionals.
- B. Elected and appointed officials shall deal with the employees and services of the town only through the town administrator, except for the purpose of inquiry, and

neither the council, commission or committee nor any members thereof shall give any direct orders or instructions to any employees of the town. It shall be the responsibility of the council and its members, when requested, to aid and assist any town employee in an advisory capacity on any phase of policy or public relations. Such an effort shall not conflict with the administrative duties of the town administrator.

- C. With regard to employees appointed by the town administrator, neither the council nor any of its members shall direct or request the appointment of any person to, or the removal or suspension from, office by the town administrator or any of the town administrator's employees, or in any manner take part in the appointment or removal of such officer(s) and employee(s) in the administrative services of the town.
- D. Elected and appointed officials shall never express concerns about the performance of a town employee in public, to the employee directly, or to the employee's supervisor. Comments about staff performance shall only be made to the town administrator, excluding those employees appointed by the Council, i.e., the town attorney, the town prosecutor or the municipal judge.

5. SANCTIONS

Sanctions should not be approached lightly, utilized as a form of punishment for a differing point of view, or used as a way to try to silence or discredit any individual who is serving the Town in an official capacity. Sanctions may be considered only where an elected or appointed official exhibits unprofessional behavior in such an egregious manner while participating in town activities so as to be detrimental to the functioning of the council, advisory board, commission or committee upon which they are serving and the behavior prevents, significantly restricts, or undermines the achievement of one or more of the town's priorities.

When sanctions are being considered for any elected or appointed official, the individual shall be apprised of the specific behavior for which the sanctions are being considered. The specific unprofessional behavior shall be identified and addressed by two or more council members as an Agenda item in a regularly scheduled council meeting. Additionally, independent legal or other experts may be utilized by the remaining council for the purpose of an unbiased investigation. Following the first regularly scheduled council meeting, that matter shall be considered at a second regularly scheduled council meeting, at which time the individual being considered for sanctions shall be given the opportunity to respond and defend his or her behavior. Town officials and members of the public shall also be provided with the opportunity to voice viewpoints in the second council meeting. After comments, council members shall be given the opportunity to ask questions directly pertaining to the situation and behavior exhibited. All disputes and verified complaints shall be resolved by swift and inexpensive mediation by an objective

City of Tolleson Code of Conduct for Elected and Appointed Officials

The Three Rs of Tolleson Government Leadership: Roles, Responsibilities and Respect

The City Code provides information on the roles and responsibilities of Council Members, the Vice Mayor and the Mayor. This is a Code of Conduct for the City of Tolleson's elected and appointed officials.

This Code of Conduct is designed to describe the manner in which Council Members and appointed officials of the City (collectively, "Public Officials") should treat one another, City staff, constituents, and others they come into contact with in representing the City of Tolleson. It reflects the work of defining more clearly the behavior, manners and courtesies that are suitable for various occasions. This is designed to make the public meetings and the process of governance run more smoothly.

The content of this Code of Conduct includes:

- Overview of Roles and Responsibilities
- Policies and Protocol Related to Conduct
- Council Conduct with One Another
- Council Conduct with City Staff
- Council Conduct with the Public
- Council Conduct with Other Public Agencies
- Council Conduct with Boards and Commissions
- Council Conduct with the Media
- Sanctions
- Principles of Proper Conduct
- Checklist for Monitoring Conduct
- Glossary of Terms

The constant and consistent theme through all of the conduct guidelines is "respect." Public Officials experience significant workloads and tremendous stress in making decisions that could impact thousands of lives. Despite these pressures, Public Officials are called upon to exhibit appropriate behavior at all times. Demonstrating respect for each individual through words and actions is the touchstone that can help guide Public Officials to do the right thing in even the most difficult situations.

Overview of Roles and Responsibilities

Other resources that are helpful in defining the roles and responsibilities of Public Officials can be found in the City of Tolleson Code and in the Elected Officials Guide published by the League of Arizona Cities & Towns.

ALL COUNCIL MEMBERS

All members of the City Council, including those serving as Mayor and Vice Mayor, have equal votes. No Council Member has more authority than any other Council Member, and all should be treated with equal respect.

All Council Members should:

- Fully participate in City Council meetings and other public forums while demonstrating kindness, consideration, and courtesy to others.
- Prepare in advance of Council meetings and be familiar with issues on the agenda.
- Represent the City at ceremonial functions at the request of the Mayor or at the request of the Council.

- Maintains order, decorum, and the fair and equitable treatment of all speakers
- Keeps discussion and questions focused on specific agenda items under consideration
- Makes parliamentary rulings. Chair rulings may be overturned if a Council Member makes a motion as an individual and the majority of the Council votes to overrule the Chair.

FORMER COUNCIL MEMBERS

Former members of the City Council who speak to the current City Council about a pending issue should disclose for whom they are speaking.

Policies & Protocol Related to Conduct

Ceremonial Events

Requests for a City representative at ceremonial events will be handled by City staff. The Mayor will serve as the designated City representative. If the Mayor is unavailable, then City staff will determine if event organizers would like another representative from the Council. If yes, then the Mayor will recommend which Council Member should be asked to serve as a substitute. Invitations received at City Hall are presumed to be for official City representation. Invitations addressed to Council Members at their homes are presumed to be for unofficial, personal consideration.

Correspondence Signatures

Council Members do not need to acknowledge the receipt of correspondence, or copies of correspondence, during Council meetings. The City Clerk will prepare official letters in response to public inquiries and concerns. These

letters will carry the signature of the Mayor unless the Mayor requests that they be signed by another Council Member or the City Clerk.

If correspondence is addressed only to one Council Member, that Council Member may check with staff on the best way to respond to the sender.

Endorsement of Candidates

Council Members have the right to endorse candidates for all Council seats or other elected offices. It is inappropriate to mention endorsements during Council meetings or other official City meetings.

Public Announcements in Council Meetings

Council Members who want to speak during the Call to the Public or Council Members Report portion of the Council meeting should notify the Chair in advance. Council Members, like members of the public who use this portion of the agenda to recognize achievements or promote an event, will be limited to three minutes each, and should keep the focus on matters of community-wide interest. Matters that may require Council action or direction should not be discussed and those items on the agenda should not be used for any form of campaigning.

Public Hearing Protocol

The applicant shall have the right to speak first. The Chair will determine the length of time allowed for this presentation. Speakers representing either pro or con points of view will be allowed to follow. All speakers should be heard. All statements should be made to and through the Chair. The applicant will be allowed to make closing comments. The Chair has the responsibility to run an efficient public meeting and has the discretion to modify the public hearing process in order to make the meeting run smoothly.

Council Members should not express opinions during the public hearing portion of the meeting, except to ask pertinent questions of the speaker or staff. All Council Member comments or questions should be directed to the Chair. "I think" and "I feel" comments by Council Members are not appropriate until after the close of the public hearing. Council Members should refrain from arguing or debating with the public during a public hearing and shall always show respect for different points of view.

Main motions may be followed by amendments, followed by substitute motions. Any Council Member can call for the question or a point of order. Only Council Members, who voted on the prevailing side, may make motions to reconsider. Motions to reconsider must be made prior to adjourning the meeting.

Travel Expenses

The policies and procedures related to the reimbursement of travel expenses for official City business by Council Members shall be in accordance with the City of Tolleson Financial Accounting Manual, as may be amended.

Council Conduct with One Another

Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as Council may “agree to disagree” on contentious issues.

IN PUBLIC MEETINGS

- **Practice civility and decorum in discussions and debate**

Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, Council Members to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting, or any other physical actions that could be construed as threatening will be tolerated.

- **Honor the role of the Chair in maintaining order**

It is the responsibility of the Chair to keep the comments of Council Members on track during public meetings. Council Members should honor efforts by the Chair to focus discussion on current agenda items. If there is disagreement about the agenda or the Chair’s actions, those objections should be voiced politely and with reason, following procedures outlines in parliamentary procedure.

- **Avoid personal comments that could offend other Council Members**

If a Council Member is personally offended by the remarks of another Council Member, the offended Council Member should make notes of the actual words used and call for a “point of personal privilege” that challenges the other Council Member to justify or apologize for the language used. The Chair will maintain control of this discussion. To that end, all discussion in public meetings must go through the Chair.

- **Demonstrate effective problem-solving approaches**

Council Members have a public stage to show how individuals with disparate points of view can find common ground and seek a compromise that benefits the community as a whole.

IN PRIVATE ENCOUNTERS

- **Continue respectful behavior in private**

The same level of respect and consideration of differing points of view that is deemed appropriate for public discussions should be maintained in private conversations.

- **Be aware of the lack of security of written notes, voicemail messages, and e-mail**

Technology allows words written or said without much forethought to be distributed wide and far. Would you feel comfortable to have this note faxed to others? How would you feel if this voicemail message were played on a speakerphone in a full office? What would happen if this e-mail message were forwarded to others? Written notes, voicemail messages and e-mail should be treated as potentially “public” communication.

- **Even private conversations can have a public presence**

Elected officials are always on display – their actions, mannerisms, and language are monitored by people around them that they may not know. Lunch table conversations will be eavesdropped upon, parking lot debates will be watched, and casual comments between individuals before and after public meetings noted. Remember the open meeting law prohibits conversations of four or more council members or the “linking” together through a common source of four or more individual conversations.

- **Other City Public Officials**

The foregoing guidelines concerning “Conduct with One Another” shall be followed not only by Council Members but also by other City Public Officials.

Council Conduct with City Staff

Governance of a City relies on the cooperative efforts of elected officials, who set policy, and City staff, who implement and administer the Council’s policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community.

- **Treat all staff as professionals**

Clear, honest communication that respects the abilities, experience, and dignity of each individual is expected. Inappropriate behavior towards staff is not acceptable.

- **Limit contact to specific City staff**

Consequently, remember City staff is accountable to their supervisors. Tasks performed by staff that come from outside the normal chain of supervision could cause staff confusion, inadequate work product and inefficient performance. Questions of City staff and/or requests for additional background information

should be directed only to the City Manager, City Clerk or Department Heads, or the Department Head's designee. The Office of the City Manager should be copied on any request. Consistent with City Code Section 2-3-24(E), no Council Member shall give orders or instructions to any subordinate of the City Manager other than instructions for the purpose of inquiry without the consent of the City Manager.

Requests for follow-up questions to staff should be made only through or with the consent of the City Manager. When in doubt about what staff contact is appropriate, Council Members should ask the City Manager for direction. Materials supplied to a Council Member in response to a request will be made available to all members of the Council so that all have equal access to information.

- **Do not disrupt City staff from their jobs**

Council Members should not disrupt City staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met.

- **Never publicly criticize an individual employee**

Council should never express concerns about the performance of a City employee in public, to the employee directly, or to the employee's manager. Misdirected comments could violate the City's personnel rules and limit the City's ability to deal fairly and efficiently with personnel matters. Comments about staff performance should only be made to the City Manager through private correspondence or conversation.

- **Do not get involved in administrative functions**

Council Members must not attempt to influence City staff on the making of appointments, awarding of contracts, selecting of consultants, processing of development applications, or granting of City licenses and permits.

- **Check with City staff on correspondence before taking action**

Before sending correspondence, Council Members should check with the City Manager to see if an official City response has already been sent or is in progress.

- **Do not attend meetings with City staff unless requested by staff.**

Even if the Council Member does not say anything, the Council Member's presence implies support, shows partiality, intimidates staff, and hampers staff's ability to do their job objectively.

- **Limit request for staff support**

Routine secretarial support will be provided to all Council Members. All mail for Council Members is opened by the City Clerk.

Requests for additional staff support – even in high priority or emergency situations – should be made to the City Manager who is responsible for allocating City resources in order to maintain a professional, well-run City government.

- **Do not solicit political support from staff**

Council Members should not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, etc.) from City staff; to do so could violate the law. City staff may, as private citizens with constitutional rights, support political candidates for other government entities but all such activities must be done away from the workplace.

- **Other City Public Officials**

The foregoing guidelines concerning “Conduct with City Staff” shall be followed not only by Council Members but also by other City Public Officials.

Council Conduct with the Public

IN PUBLIC MEETINGS

Making the public feel welcome is an important part of the democratic process. No signs of partiality, prejudice or disrespect should be evident on the part of individual council Members toward an individual participating in a public forum. Every effort should be made to be fair and impartial in listening to public testimony.

- **Be welcoming to speakers and treat them with respect**
- **Be fair and equitable in allocating public hearing time to individual speakers**

Generally, each speaker will be allocated three minutes. If many speakers are anticipated, the Mayor may shorten the time limit and/or ask speakers to limit themselves to new information and points of view not already covered by previous speakers.

No speaker will be turned away unless he/she exhibits inappropriate behavior. After the close of the public hearing, no more public testimony will be accepted.

- **Give the appearance of active listening**

It is disconcerting to speakers to have Council Members not look at them when they are speaking. It is fine to look down at documents or to make notes, but reading for a long period of time or gazing around the room gives the appearance of disinterest. Be aware of facial expressions, especially those that could be interpreted as “smirking,” disbelief, anger or boredom.

- **Ask for clarification, but avoid debate and argument with the public**

Only the Mayor, no individual Council Members, can interrupt a speaker during a presentation. However, a Council Member can ask the Mayor for a point of order if the speaker is off the topic or exhibiting behavior or language the Council Member finds disturbing.

If speakers become flustered or defensive by Council questions, it is the responsibility of the Mayor to calm and focus the speaker and to maintain the order and decorum of the meeting. Questions by Council Members to members of the public testifying should seek to clarify or expand information. It is never appropriate to belligerently challenge or belittle the speaker. Council members' personal opinions or inclinations about upcoming votes should not be revealed until after the public hearing is closed.

- **No personal attacks of any kind, under any circumstances**

Council Members should be aware that their body language and tone of voice, as well as the words they use, can appear to be intimidating or aggressive.

IN UNOFFICIAL SETTINGS

- **Make no promises on behalf of the Council**

Council Members will frequently be asked to explain a Council action or to give their opinion about an issue as they meet and talk with constituents in the community. It is appropriate to give a brief overview of City policy and to refer to City staff for further information. It is inappropriate to overtly or implicitly promise Council action, or to promise City staff will do something specific (fix a pothole, remove a library book, plant new trees, etc.), or otherwise request that staff perform any act that is illegal, or that has the appearance of illegality.

- **Make no personal comments about other Council Members**

It is acceptable to publicly disagree about an issue, but it is unacceptable to make derogatory comments about other Council Members, their opinions and actions.

- **Remember Tolleson is a Small City**

Council Members are constantly being observed by the community every day that they serve in office. Their behaviors and comments serve as models for proper deportment in the City of Tolleson. Honesty and respect for the dignity of each individual should be reflected in every word and action taken by Council Members, 24 hours a day, seven days a week. It is a serious and continuous responsibility.

- **Other City Public Officials**

The foregoing guidelines concerning "Conduct with the Public" shall be followed not only by Council Members but also by other City Public Officials.

Council Conduct with Other Public Agencies

- **Be clear about representing the City or personal interests**

If a Council Member appears before another governmental agency or organization to give a statement on an issue, the Council Member must clearly state: 1) if his or her statement reflects personal opinion or is the official stance of the City; 2) whether this is the majority or minority opinion of the Council.

Council Members should be clear about which organizations they represent and inform the Mayor and Council of their involvement in order to assure their independence and impartiality on behalf of the common good. Public Officials should not use their official positions to influence government decisions in which they have a substantial financial interest or a relationship that may give the appearance of a conflict of interest. Public Officials should abstain from participating in deliberations and decision-making where conflicts of interest may exist as defined under Arizona law. Public Officials should discuss issues of conflict of interest with the City Attorney.

- **Correspondence also should be equally clear about representation**

City letterhead may be used when the Council Member is representing the City and the City's official position. A copy of official correspondence should be given to the City Clerk to be filed as part of the permanent public record.

City letterhead should not be used for correspondence of Council Members representing a personal point of view, and is best not used to express a dissenting point of view from an official Council position. However, should Council Members use City letterhead to express a dissenting point of view, the official City position must be stated clearly so the reader understands the difference between the official City position and the viewpoint of the Council Member.

- **Other City Public Officials**

The foregoing guidelines concerning "Conduct with Other Public Agencies" shall be followed not only by Council Members but also by other City Public Officials.

Council Conduct With Boards and Commissions

The City has established several Boards and Commissions as a means of gathering more community input. Citizens who serve on Boards and Commissions become more involved in government and serve as advisors to the

Council. They are a valuable resource to the City's leadership and should be treated with appreciation and respect.

- **If attending a Board or Commission meeting, be careful to only express personal opinions**

Council Members may attend any Board or Commission meeting, which are always open to any member of the public. However, they should be sensitive to the way their participation - especially if it is on behalf of an individual, business or developer – could be viewed as unfairly affecting the process. Any public comments by a Council Member at a Board of Commission meeting should be clearly made as individual opinion and not a representation of the feelings of the entire City Council.

- **Limit contact with Board and Commission members to questions of clarification**

It is inappropriate for a Council member to contact a Board or Commission member to lobby on behalf of an individual, business, or developer. It is acceptable for Council Members to contact Board or Commission members in order to clarify a position taken by the Board or Commission.

- **Remember that Boards and Commissions serve the community, not individual Council Members**

The City Council appoints individuals to serve on Boards and Commissions, and it is the responsibility of Boards and Commissions to follow policy established by the Council. But Board and Commission members do not report to individual Council Members, nor should Council Members feel they have the power or right to threaten Board and Commission members with removal if they disagree about an issue. Appointment and re-appointment to a Board or Commission should be based on such criteria as expertise, ability to work with staff and the public, and commitment to fulfilling official duties. A Board or Commission appointment should not be used as a political "reward."

- **Be respectful of diverse opinions**

A primary role of Boards and Commissions is to represent many points of view in the community and to provide the Council with advice based on a full spectrum of concerns and perspectives. Council Members may have a closer working relationship with some individuals serving on Boards and Commissions, but must be fair and respectful of all citizens serving on Boards and Commissions.

- **Keep political support away from public forums**

Board and Commission members may offer political support to a Council member, but not in a public forum while conducting official duties. Conversely, Council Members may support Board and Commission members who are running for office, but not in an official forum in their capacity as a City Council Member.

- **Inappropriate behavior can lead to removal**

Inappropriate behavior by a Board or Commission member should be noted to the Mayor, and the Mayor should counsel the offending member. If inappropriate behavior continues, the Mayor should bring the situation to the attention of the Council.

Council Conduct with the Media

Council Members are frequently contacted by the media for background and quotes.

- **The best advice for dealing with the media is to never go “off the record”**

Most members of the media represent the highest levels of journalistic integrity and ethics, and can be trusted to keep their word. But one bad experience can be catastrophic. Words that are not said cannot be quoted.

- **The Mayor is the official spokesperson for the City.**

The Mayor is the designated representative of the Council to present and speak on the official City position. If an individual Council Member is contacted by the media, the Council Member should be clear about whether their comments represent the official City position or a personal viewpoint.

- **Choose words carefully and cautiously**

Comments taken out of context can cause problems. Be especially cautious about humor, sardonic asides, sarcasm, or word play. It is never appropriate to use personal slurs or swear words when talking with the media.

- **Other City Public Officials**

The foregoing guidelines concerning “Conduct with the Media” shall be followed not only by Council Members but also by other City Public Officials.

Enforcement of the Ethics Policy

A. COMPLAINTS

1. Public Officials themselves have the primary responsibility to assure compliance with this Code of Conduct.
2. The Chairs of commissions, boards, and committees and the Mayor have the additional responsibility to intervene when actions of the Public Officials appear to be in violation of this Code of Conduct.

3. If the Mayor or the chair of the applicable board, commission or committee fails to intervene, two members of the Council, board, commission may request the Mayor or the chair of the applicable public body to intervene. If the complaint arises out of actions or inactions of the Mayor or the chair, the matter shall be directed to the vice-mayor or vice-chair. If the Mayor, chair, vice-mayor or vice-chair fails to intervene, then the matter shall be referred to the City Attorney.
4. The City Attorney shall review the complaint and shall simultaneously notify in writing the City official subject to the complaint of such review.
5. Within 30 days, the City Attorney shall submit the results of his or her review to the complainant, to the official who is the subject of the complaint, and to the Mayor or chair of the public body on which the official who is the subject of the complaint sits. If the matter cannot be resolved within ten days, the matter shall be referred to the City Council. The City Council shall consider the City Attorney's report at a public meeting. If the City Council finds an ethical violation by a person serving on a commission, board or committee, then the City Council may remove the member from the City board, commission, or committee. In resolving a complaint, the totality of the circumstances shall be taken into consideration, including the intent of the person accused of the wrongdoing.
6. In addition, the City Council may impose sanctions on Public Officials whose conduct does not comply with this Code of Conduct, such as reprimand, censure, loss of seniority or committee assignment, or official travel restrictions.

B. RESOLVING COMPLAINTS AGAINST THE MAYOR AND/OR OTHER MEMBERS OF THE CITY COUNCIL.

1. When complaints are levied against the Mayor or members of the City Council, the City Attorney shall have the authority to decide either to (a) act directly on any complaint filed against the Mayor and/or other members of the City Council pursuant to subparagraph A above, or (b) refer a complaint to an independent reviewing authority such as a city attorney from another jurisdiction or an attorney from the office of the county attorney.
-

Sanctions

- **Public Disruption**

Members of the public who do not follow proper conduct after a warning in a public hearing may be barred from further testimony at that meeting or removed from the Council Chambers.

- **Inappropriate Staff Behavior**

Council Members should refer to the City Manager any City staff that does not follow proper conduct in their dealings with Council Members, other City staff, or the public. These employees may be disciplined in accordance with standard City procedures for such actions.

- **Council Members Behavior and Conduct**

In addition to sanctions imposed pursuant to paragraph A.6 above, City Council Members who intentionally and repeatedly do not follow proper conduct may be reprimanded or formally censured by the Council, lose seniority or committee assignments (both within the City of Tolleson or with inter-government agencies) or have official travel restricted.

If a Councilmember is called to order, that member shall immediately cease speaking until the question of order is settled by a vote of Council. If ruled to be in order, the member shall be permitted to proceed. If ruled out of order, the member shall remain silent or may make additional remarks only in compliance with Council rules.

(4) The Mayor and Councilmembers shall comply with the Arizona open meeting law and confine their questions, comments and discussions to the agenda item under consideration by Council.

(5) The Mayor and every Councilmember have a duty to vote and shall vote on all matters except a matter involving his or her own official conduct or where he or she declares a conflict of interest, whether actual or apparent. A Councilmember who declares a conflict of interest shall leave the dais, not participate in the discussion, and refrain from influencing the votes of the remaining Councilmembers. A failure to vote or a voluntary abstention shall count as an "aye" vote unless the Councilmember has declared a conflict of interest.

(6) All motions require a second to be considered by Council. The Councilmember seconding a motion is not required to vote or speak in favor of the motion. If there is no second, the motion fails for lack of a second.

(7) Except as provided in division (D)(9), a Councilmember may change his or her opinion or vote at any time up and until the vote is taken and the final result is announced.

(8) At the request of any Councilmember, a roll call vote shall be taken. Councilmembers shall not explain their vote during the roll call but shall respond either yea or nay to the question.

(9) After a decision on a motion, any Councilmember who voted with the majority may move to reconsider the item during the same meeting at which the decision being reconsidered was made. Once a motion to reconsider has been approved by majority vote, the original motion may again be discussed. After discussion, a revote on the original motion is taken. No more than one reconsideration of an item shall be permitted without unanimous consent of the Council.

(10) During a meeting, the Mayor or a Councilmember may propose a short intermission or recess by moving to recess for a specified length of time. A motion to recess may be made while business is pending; shall not interrupt a speaker;

must be seconded; is not debatable; can only be amended to change the length of the recess; cannot be reconsidered; and requires a majority vote for approval. The length of time for the recess shall not detract from finishing the meeting agenda within the limits set forth in § 30.107.

(11) An act or motion to suspend the Council rules requires a majority vote of the Council for approval and shall not be made while another motion is pending unless it directly applies to the pending motion.

(E) Understanding Council's intent to receive public comments prior to voting on any matter on which Council will make a decision, the presiding officer shall allow public comments on all such matters subject to the following:

- (1) Prior to receiving public comments on an item, the presiding officer shall ensure Council's questions and concerns have been addressed by asking if there are other Council questions or concerns.
- (2) No individual member of the public shall comment more than once on any item.
- (3) Comments shall be limited to three minutes per person per item.
- (4) Without consent from a majority of Councilmembers, the public comment period for each item shall be no more than 15 minutes.
- (5) No public comments are permitted on executive session items.
- (6) Public comments are permitted during all types of Council sessions without motion of any Councilmembers on all items except executive session items.

(F) *Changes to the rules of order.* Additional exceptions to *Robert's Rules* may be incorporated into the Town Council's rules and procedures at any time by formally amending this chapter, provided they are consistent with the laws of the State of Arizona. Amendments to any motion may be made according to the basic *Robert's Rules*.

Comments from Ms. Kerber - from the June 16 Council Meeting

Subject: Comment on agenda item 9D
Date: Monday, June 15, 2020 4:53:41 PM

Mr Mattix and Mr Hanks,

I would be most appreciative if you would allow my comments below in regard to Agenda Item 9D: Conduct and Ethics provision in Code of Ordinances.

Mr Mayor, Councilmembers, Mr Hanks, Ms Bigelow:

Thank you for considering comments from myself as a newbie to the Town Government scene and please forgive any inappropriate questions or comments on Conduct and Ethics.

It appears the Town has been struggling with this ordinance for almost 10 years, and I am excited to see it come to the agenda again.

When considering Ord 15-112, as listed in the meeting packet, with the additions and strikeouts, I am quickly adding the days allowed for each step in the process, and coming up with approximately 70 days if the maximum allowable time for each step is used. This seems to me to be a very long time to allow a misconduct to overshadow the Town Council proceedings and Town operations, and ask that perhaps a way to shorten this could be investigated? Misconduct should almost be considered an emergency item.

The Ordinance speaks about 'minor' and 'major' violations, but I am not able to see a definition or examples of these terms. Because these could be very different for different folks, perhaps it could be considered to add a definition?

When the Ordinance speaks about the Council reviewing and discussing the violation with the Hearing Officer and the alleged violator, is that meeting in Executive Session or Open Session, and perhaps that might be specified in the narrative?

I'm assuming, perhaps erroneously, that since there is no appeal process, the alleged violator must make their entire case at the hearing? Does this need to be elaborated on?

When the Town Attorney prepares a list of 3 qualified officers for presentation to the Council, is there a time frame for this step in the process? Is this list a 'standing list' prepared in advance, or only after an alleged infraction?

Will each Town Council member, official, staff, and board or commission member be required

to sign a new statement of their adherence to the new ordinance?

It appears this Ordinance addresses only Town Officials. Is there a Code of Ethics and Conduct for town members that are attending meetings that can be adhered to more aggressively than at recent meetings? Respectfulness is so vitally important from all participants in order to maintain a productive environment.

I appreciate the Town Council addressing this all important underlying principal to a productive, more grace-full Town operation.

Respectfully,
Judy L Kerber

**Town of Carefree
CODE OF CONDUCT**

PREAMBLE

It is the policy of the Town of ~~Carefree~~^{DH,} to uphold, promote, and demand the highest standards of ethics and behavior from all of its officials, whether elected to Town Council or appointed to advisory boards, commissions or committees. Accordingly, all members of town council, advisory boards, commissions, and committees ("elected and appointed officials") shall maintain the utmost standards of personal integrity, truthfulness, honesty and fairness in carrying out their public duties, avoid any improprieties in their roles as public servants, comply with all applicable laws, and never use their town position or powers improperly or for personal gain.

Insert (A) from pg 34 → The Town of ~~Carefree~~^{D-H} and its elected and appointed officials all share a commitment to ethical conduct in service to their community. This Code of conduct has been created to ensure that all elected and appointed officials have clear guidance for carrying out their responsibilities.

Elected and appointed officials are often called upon to make decisions that affect various groups and individuals. Balancing diverse constituent interests is a difficult task. While someone will always be disappointed in decisions, both elected and appointed officials shall adhere to ethical standards that eliminate disappointment borne of dishonesty, conflicts of interest, unfairness or illegality. Preservation of public trust is critical for the preservation of democracy.

All elected and appointed officials should strive to operate in the following manner:

- Honesty and Integrity: These characteristics shall be the primary values evident in the dealings of the elected and appointed officials on all issues. The public trust in the Town Council, advisory boards, commissions, and committees can be a reality only when public officials operate with honesty and integrity.
- Fairness, Impartiality and Respect: All issues and citizens shall be handled with fairness, impartiality and respect. Elected and appointed officials have an obligation to treat all citizens fairly, such as by dividing time reasonably among potential speakers on an issue at a public hearing or meeting. In reviewing, discussing and deciding issues, elected and appointed officials have an obligation to be accessible, open and direct, not only with the other members of the Town Council, advisory boards, commissions, and committees, but also to the citizens and business representatives who appear before them. The public is entitled to communicate with their public servants and understand the position of the Town Council, advisory board, commission, and committee members on issues before them.

- Effort: Elected and appointed officials have an obligation to attend meetings and to be prepared. It is expected that these officials will review the materials, participate in discussions and make an informed decision on the merits of the issue.

1. CODE OF CONDUCT

- A. This Code of Conduct provides guidance on the standards of behavior that are expected and required from all elected and appointed officials of the Town of ~~Carefree~~ ^{D-H}. This Code of Conduct applies to all elected and appointed officials in their dealings with:
- Each other,
 - Town staff,
 - Town residents,
 - Media,
 - Contractors,
 - Vendors, and
 - The general public.
- B. The objective of this Code of Conduct is to enhance:
- The effectiveness of all elected and appointed officials of the Town;
 - The credibility and accountability of the Town Council within the community;
 - Mutual trust, respect, and tolerance between the elected and appointed officials as a group and between the elected and appointed officials individually and all of the other constituencies of the town.
- C. The residents and businesses of ^{D-H} Carefree are entitled to have fair, ethical, and accountable local government. Such a government requires that all elected and appointed public officials:
- comply with applicable laws and policies affecting operations of the government;
 - be independent, impartial and fair in their judgment and actions;
 - use their public office for the public good, not for personal gain;
 - conduct public deliberations and processes openly, unless legally confidential, in an atmosphere of respect and civility
- D. To this end, the Carefree Town Council adopted this Code of Conduct to encourage public confidence ^{D-H} in the integrity of local government and its fair and effective operation.

2. CONFLICT OF INTEREST

- A. Elected and appointed officials shall ensure they comply and are familiar with

the provisions of Arizona Revised Statutes § 38-501, et seq., which refer to all elected and appointed officials of a city who may have a "substantial interest" in any "contract, sale, purchase or service" to the city.

- B. In accordance with the provisions of Arizona Revised Statutes, an elected or appointed official who has a substantial interest must declare a conflict of interest and additionally refrain from voting upon or otherwise participating in approval of the contract, sale, or purchase. "Substantial interest" is defined as "any pecuniary or proprietary interest, either direct or indirect, other than a remote interest." A.R.S. § 502(11).
- C. Elected or appointed officials shall not take advantage of services or opportunities for personal gain by virtue of their public office that is not available to the public in general.
- D. Any elected or appointed official who has an interest in any business before the council or commission or committee with which that individual has a conflict of interest shall withdraw from any discussion, deliberation, or decision regarding said matter.

3. CONDUCT

- A. Elected and appointed officials shall treat people with respect, regardless of their race, age, religion, gender, sexual orientation, or disability, and should not unlawfully discriminate against any person or group of persons.
- B. Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, elected or appointed officials to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting or physical actions that could be construed as threatening will be tolerated. *Bold type?*
- C. Elected and appointed officials shall ^{prepare, stay focused, and} fully participate in council, commission and committee meetings and other public forums while demonstrating respect and courtesy to others, practicing civility and decorum in discussions and debate, listening courteously and attentively, and engaging in effective communications. *Elected and appointed officials shall inspire public confidence in D-H government.*
- D. Elected and appointed officials shall not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly and should on all occasions avoid the appearance of such behavior.
- E. Elected and appointed officials shall be scrupulously honest in their use of town assets, funds, and equipment, and shall not misuse them or permit their misuse (or the appearance of misuse) by any other person or body.
- F. Elected or appointed officials shall not use town resources, including the

services of town staff, for private purposes or personal gain.

- G. Elected and appointed officials shall make impartial decisions, free of bribes, unlawful gifts, and narrow political interests and financial or other personal interests that impair independence of judgment or action.
- H. Elected and appointed officials shall not use their official position or the town's facilities for their private gain, or for the benefit of any individual, which benefit would not be available to any other member of the public in the same or similar circumstance.
- I. Elected and appointed officials shall not use or disclose confidential information gained in the course of or by reason of their official position with the town, including but not limited to, for purposes of advancing:
- their financial or personal interest;
 - the interest of a business entity of which the elected or appointed official, or of which an immediate family member has an interest;
 - the financial or personal interest of a member of their immediate family; or
 - the financial or personal interest of any citizen beyond that which is available to every other citizen.
- J. Elected and appointed officials shall conduct the business affairs of the council, commission or committee of which they are a member in an open and public manner consistent with the letter and spirit of the Arizona Open Meeting Law. Elected or appointed officials ^{shall} may not use e-mail or other forms of communication to circumvent the Open Meeting Law requirements by exchanging e-mail or other forms of communications that involve discussions, deliberations or taking legal action by a quorum of the public body concerning a matter that may foreseeably come before the public body for action.
- K. Newly elected or appointed officials shall attend a briefing on the provisions of this Code of Conduct by the town attorney and/or the town administrator, and sign the attached acknowledgement that they have read, understand, and will comply with the provisions of this Code of Conduct. *Town Manager, OR their Designee*
- L. All elected and appointed officials shall sign the acknowledgement appearing at the end of this code of conduct upon its enactment and annually reaffirming that they have read, understand, and will comply with the provisions of this Code of Conduct.

4. COMMUNICATIONS WITH STAFF

- A. Treat all staff as professionals.
- B. Elected and appointed officials shall deal with the employees and services of the town only through the town administrator, except for the purpose of inquiry, and

MANAGER

neither the council, commission or committee nor any members thereof shall give any direct orders or instructions to any employees of the town. It shall be the responsibility of the council and its members, when requested, to aid and assist any town employee in an advisory capacity on any phase of policy or public relations. Such an effort shall not conflict with the administrative duties of the town administrator. *MANAGER.*

C. With regard to employees appointed by the town administrator, neither the council nor any of its members shall direct or request the appointment of any person to, or the removal or suspension from, office by the town administrator or any of the town administrator's employees, or in any manner take part in the appointment or removal of such officer(s) and employee(s) in the administrative services of the town.

D. Elected and appointed officials shall never express concerns about the performance of a town employee in public, to the employee directly, or to the employee's supervisor. Comments about staff performance shall only be made to the town administrator, excluding those employees appointed by the Council, i.e., the town attorney, the town prosecutor or the municipal judge.

5. (Attached) Reprimands/Censures
6.
5. SANCTIONS

Sanctions should not be approached lightly, utilized as a form of punishment for a differing point of view, or used as a way to try to silence or discredit any individual who is serving the Town in an official capacity. Sanctions may be considered only where an elected or appointed official exhibits unprofessional behavior in such an egregious manner while participating in town activities so as to be detrimental to the functioning of the council, advisory board, commission or committee upon which they are serving and the behavior prevents, significantly restricts, or undermines the achievement of one or more of the town's priorities.

When sanctions are being considered for any elected or appointed official, the individual shall be apprised of the specific behavior for which the sanctions are being considered. The specific unprofessional behavior shall be identified and addressed by *stated* *one* or more council members as an Agenda item in a regularly scheduled council meeting.

Additionally, independent legal or other experts may be utilized by the remaining council for the purpose of an unbiased investigation. Following the first regularly scheduled council meeting, that matter shall be considered at a second regularly scheduled council meeting, at which time the individual being considered for sanctions shall be given the opportunity to respond and defend his or her behavior. Town officials and members of the public shall also be provided with the opportunity to voice viewpoints in the second council meeting. After comments, council members shall be given the opportunity to ask questions directly pertaining to the situation and behavior exhibited. All disputes and verified complaints shall be resolved by swift and inexpensive mediation by an objective, *independent*

How swift?

5. Censures/reprimands may be considered when an elected or appointed official exhibits unprofessional behavior that does not reflect the code of conduct or conflict of interest principles previously described for town elected and appointed officials. Within two days following the identification of the alleged inappropriate behavior or the receipt of a sworn complaint form by the town clerk or town manager, the town clerk will forward a copy of the sworn complaint to the accused town official, the Town Council members, and the Town Attorney, and the item will be placed on the next regularly scheduled council meeting agenda. At that meeting the Town Attorney will identify the alleged unprofessional behavior and the town official shall be given the opportunity to respond and defend his or her behavior. Town Council members shall be provided the opportunity to ask for clarification and voice viewpoints. No public comment will be taken. The Town Council will entertain a motion for or against censure/reprimand, and a roll call vote of the council members will be taken, with a majority affirmative vote needed for censure/reprimand.

Change the number from 5 to 6 on the header "SANCTIONS".

At the end of SANCTIONS insert C:

Members of the public who do not follow the same rules of conduct conferred on elected and appointed officials after a verbal warning in a town council meeting may be barred from further testimony at that meeting or removed from the council chambers. No speaker will be turned away unless they exhibit inappropriate behavior.

the independent third-party

third-party. The ~~Carefree Municipal Court Judge~~ shall appoint an industry professional as the sole mediator to hear a dispute. The mediator shall employ such rules and procedures to ensure due process but also to affect a swift and inexpensive proceeding. Thereafter, a vote shall be taken. Sanctions shall only be imposed by a majority vote of the council.

AT THE next regularly scheduled TC meeting

Elected and appointed officials who are found to have violated the behavioral and/or related requirements of the Town Code and/or the Code of Conduct shall be reprimanded or formally censured by the council, and potentially have sanctions imposed. The council will consider the severity of the violation(s) in determining if sanctions are to be imposed. Such sanctions may include the following and shall be binding and not appealable:

- A. For Council Members: They may have their participation in town assignments terminated (other than directly participating in regular and special meetings of the council), both within the Town and/or with inter-governmental agencies, for a period of up to one year; and they may have official travel restricted.
- B. For non-council members: To have their participation terminated in the advisory board, committee or commission upon which they serve.

The policies and procedures related to the reimbursement of travel expenses for official City business by Council Members shall be in accordance with the City of Tolleson Financial Accounting Manual, as may be amended.

~~Council Conduct with One Another~~

A. Town + Committees + Advisory boards
Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as Council may "agree to disagree" on contentious issues.

IN PUBLIC MEETINGS

- **Practice civility and decorum in discussions and debate**

Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, Council Members to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting, or any other physical actions that could be construed as threatening will be tolerated.

- **Honor the role of the Chair in maintaining order**

It is the responsibility of the Chair to keep the comments of Council Members on track during public meetings. Council Members should honor efforts by the Chair to focus discussion on current agenda items. If there is disagreement about the agenda or the Chair's actions, those objections should be voiced politely and with reason, following procedures outlined in parliamentary procedure.

- **Avoid personal comments that could offend other Council Members**

If a Council Member is personally offended by the remarks of another Council Member, the offended Council Member should make notes of the actual words used and call for a "point of personal privilege" that challenges the other Council Member to justify or apologize for the language used. The Chair will maintain control of this discussion. To that end, all discussion in public meetings must go through the Chair.

- ~~**Demonstrate effective problem-solving approaches**~~

Council Members have a public stage to show how individuals with disparate points of view can find common ground and seek a compromise that benefits the community as a whole.

IN PRIVATE ENCOUNTERS

Followed by this sentence

Sanctions

② • **Public Disruption**

Members of the public who do not follow proper conduct after a ^{verbal} warning in a ^{T.C. meeting} public hearing may be barred from further testimony at that meeting or removed from the Council Chambers.

• **Inappropriate Staff Behavior**

Council Members should refer to the City Manager any City staff that does not follow proper conduct in their dealings with Council Members, other City staff, or the public. These employees may be disciplined in accordance with standard City procedures for such actions.

• **Council Members Behavior and Conduct**

In addition to sanctions imposed pursuant to paragraph A.6 above, City Council Members who intentionally and repeatedly do not follow proper conduct may be reprimanded or formally censured by the Council, lose seniority or committee assignments (both within the City of Tolleson or with inter-government agencies) or have official travel restricted.

Principles of Proper Conduct

Proper conduct IS . . .

- Keeping promises
- Being dependable
- Building a solid reputation
- Participating and being available
- Demonstrating patience
- Showing empathy
- Holding onto ethical principles under stress
- Listening attentively
- Studying thoroughly
- Keeping integrity intact
- Overcoming discouragement
- Going above and beyond, time and time again
- Modeling a professional manner

Proper conduct IS NOT . . .

- Showing antagonism or hostility
- Deliberately lying or misleading
- Speaking recklessly
- Spreading rumors

Requests for additional staff support – even in high priority or emergency situations – should be made to the City Manager who is responsible for allocating City resources in order to maintain a professional, well-run City government.

- **Do not solicit political support from staff**

Council Members should not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, etc.) from City staff; to do so could violate the law. City staff may, as private citizens with constitutional rights, support political candidates for other government entities but all such activities must be done away from the workplace.

- **Other City Public Officials**

The foregoing guidelines concerning “Conduct with City Staff” shall be followed not only by Council Members but also by other City Public Officials.

Council Conduct with the Public

IN PUBLIC MEETINGS

Making the public feel welcome is an important part of the democratic process. No signs of partiality, prejudice or disrespect should be evident on the part of individual council Members toward an individual participating in a public forum. Every effort should be made to be fair and impartial in listening to public testimony.

- **Be welcoming to speakers and treat them with respect**
- **Be fair and equitable in allocating public hearing time to individual speakers**

Generally, each speaker will be allocated three minutes. If many speakers are anticipated, the Mayor may shorten the time limit and/or ask speakers to limit themselves to new information and points of view not already covered by previous speakers.

(C) No speaker will be turned away unless he/she exhibits inappropriate behavior. After the close of the public hearing, no more public testimony will be accepted.

- **Give the appearance of active listening**

It is disconcerting to speakers to have Council Members not look at them when they are speaking. It is fine to look down at documents or to make notes, but reading for a long period of time or gazing around the room gives the appearance of disinterest. Be aware of facial expressions, especially those that could be interpreted as “smirking,” disbelief, anger or boredom.

Subject: Ethics Code
Date: Sunday, July 12, 2020 10:22:01 AM

Tim I would like this read into the minutes at the Council's work session on the ethics code.

It is amazing after a few years in office how Council member's views change. John Hughes, Amy Lance and Vicky Wendt after being elected to the Town Council, all thought the old ethics code was too harsh and the previous Council was being unfair to the Mayor. Now they want to change it to make it harsh again because of the Mayor.

The old code was repealed on April 4 2017. The new code was adopted on June 20 2017 as a resolution.

It was purposely adopted as a resolution rather than ordinance since resolutions can have no consequences attached to them. This was pointed out to them at the time but that is what they wanted and is what they got.

The old code had some problems and the old Council was trying to address them. To make the code seem fair to everybody you need a ton of procedures in place. Some examples. Who can file an ethics violation. What is the time frame of handling the complaint. Is it held in executive session. Who on the Council gets to vote on the complaint? Do the persons complaining get to vote. Does the accused get to vote? What is the procedure for hearing evidence and how long does each person get to present their case. Are witnesses sworn in? If so then are you becoming quasi legal group that has restrictions under the law? What is the appeal process? Who decides what the punishment should be. These are just some of the processes you need in place to make it work in reality.

You have a lot of examples of ethic's codes from other towns but have they ever used it against a sitting Council member. There is a lot of difference between having an ethics code and being able to enforce it especially if you are inflicting a punishment. This town's previous code had a lot of procedures in it but when an actual case was presented we found that we did not either have enough processes, or the processes were not worded right.

This is my thought but you should ask the attorney, When you are acting as a quasi legal group you are not acting as a legislative body. As a legislative body you are exempt from any liability. Are you exempt as a quasi legal body? There could be legal repercussions if things were not handled in a legal manner.

COUNCIL COMMUNICATION

Regular Council Meeting Date: July 21, 2020

Agenda Item: 9.C.

Submitted by: Edward L. Hanks, Jr., Town Manager

Subject:

Review, discussion and possible action to approve or direct staff relating to the Facilities Use Policy, Facility Use Application, and associated Release, Hold Harmless and Indemnification Agreement.

Background:

On July 15, 2008, Council approved a Facility Use Policy and Application. At the June 9, 2020 Council Meeting, Council reviewed the existing policy, and Council consensus was for staff to return with options for Council to consider.

Staff is presenting for Council discussion and input two options for a Facility Use Policy:

Option A – similar to the advertising policy recently adopted, Option A would allow for governmental agencies who have some level of involvement within the Town to utilize Town facilities.

Option B – would allow governmental agencies, non-profit organizations, and other legally-formed organizations to utilize Town Facilities.

Similarities between the two include:

- Allowable use for meetings only (not social gatherings);
- Town business taking precedence over any other use;
- A certificate of liability insurance required;
- Complete application packets are required;
- The entity holding the event bears responsibility for any damage;
- No alcoholic beverages;
- Rules of Conduct.

Differences between the two include:

- Refundable Security Deposit – not in Option A; in Option B for non-profits and other organizations, but does not apply to governmental agencies;
- Non-refundable Facility Rental Fee – not in Option A; in Option B for non-profits and other organizations, but does not apply to governmental agencies;
- Reimbursement for staff time – not in Option A; in Option B for non-profits and other organizations, but does not apply to governmental agencies.

Both policies exempt out regular Library programming that is a part of the Library's normal operations.

Should Council desire, **Option A** may be approved at tonight's meeting. For **Option B**, the requirements in A.R.S. § 9-499.15 relating to posting the fee on the Town's website for 60 days will apply, and as a result, **Option B** may not be approved tonight.

Financial Impact:

The financial impact is undetermined at this time and will be based on the option selected by Council.

Direction Requested:

Staff is seeking one of the following:

- **Option A**, governmental agency use – approve tonight; or,

Town of Dewey-Humboldt
P.O. Box 69
Humboldt, AZ 86329
Phone: 928-632-7362 | Fax: 928-632-7365
www.dhaz.gov

- **Option B**, other agencies – direct staff to follow all required steps for posting the proposed fees; or,
- Direct staff to make any changes that Council desires, and to either bring **Option A** back for a formal vote or to begin the required steps for posting the proposed fees in **Option B**.

Suggested Motion:

Option A (no changes): I move to approve Option A of Town Council Policy PG TC No. 20-06, Facility Use Policy, the Facility Use Application, and the Release, Hold Harmless and Indemnification Agreement.

Option A (with changes): I move to direct staff to incorporate the changes as discussed by Council tonight into Option A of Town Council Policy PG TC No. 20-06, and to bring the policy back to an upcoming meeting for a vote.

Option B (no changes): I move to direct staff to begin the required steps for posting the fees as detailed in Option B of Town Council Policy PG TC No. 20-06, and to bring the policy back to Council for a vote once the proposed fees have been properly posted.

Option B (with changes): I move to direct staff to incorporate the changes as discussed by Council tonight into Option B of Town Council Policy PG TC No. 20-06, to begin the required steps for posting the fees detailed in the policy, and to bring it back to Council for a vote once the proposed fees have been properly posted.

COUNCIL COMMUNICATION

Regular Council Meeting Date: July 21, 2020

Agenda Item: 9.D.

Submitted by: Edward L. Hanks, Jr., Town Manager

Subject:

Review, discussion and possible action relating to a draft Ordinance establishing a Code provision for Special Event Liquor Licenses.

Background:

The Town does not currently have Code provisions in place relating to Special Event Liquor License applications (“applications”). At the June 9, 2020 Study Session, Council discussed the matter, and Council consensus was for staff to return with a draft ordinance establishing a code.

Staff is presenting two options for Council consideration, both of which are based on the Code provisions that the City of Prescott follows.

Option A – designates approval authority to the Town Manager; as a direct result of an administrative approval process, the application timeframe is set at 30 days prior to the event.

Option B – requires Council approval for all applications; as a result, the timeframe is set to sixty days, to ensure that there is enough time for the item to be reviewed and scheduled for a Council Meeting for consideration.

Both options authorize the Town Manager to establish procedures for the processing and review of applications. Both options also require that, at a minimum, Building Safety, Fire, Planning and Public Safety all review all applications.

As there is a fee that will be collected, the requirements in A.R.S. § 9-499.15 relating to posting the fee on the Town’s website for 60 days will apply.

Financial Impact:

The ordinance contemplates a \$25.00 application fee for each event day.

Direction Requested:

Staff is seeking the following tonight:

- Direction as to either staff (**Option A**) or Council (**Option B**) having approval authority; and,
- Direct staff to follow all required steps for posting the proposed fees and bring back the selected option for a formal vote after the proposed fees have been properly posted.

OR

- Direct staff to make any changes that Council desires; and,
- Direct staff to follow all required steps for posting the proposed fees; and,
- Direct staff to either bring **Option A** or **Option B**, with changes, back for a formal vote after the proposed fees have been properly posted.

Suggested Motion:

No changes: I move to direct staff to begin the required steps for posting the fees as detailed in the draft ordinance, and to bring [**Option A** or **Option B**] of the ordinance back to Council for a vote once the proposed fees have been properly posted.
