Town requests for and against arguments to Proposition 457

Dewey-Humboldt, Arizona - Prior to the **November 8, 2022** election, each household with a registered voter will receive an informational pamphlet that includes arguments for and against a proposed question that have a local impact. Any person interested in submitting an argument is required to do so before **August 18, 2022**.

The question is as follows:

A citizen initiative to amend town code 30.015, "Town Council Generally" to require a supermajority vote (three quarters) of the council members instead of a simple majority vote on a loan for non-point source project, and other water or sewer loans for town owned utilities from WIFA (Water Infrastructure Finance Authority) or any other source. This is necessary because current state law (ARS 9-571, C., 2) doesn't require the citizens to vote to approve such council actions on a WIFA loan of towns our size.

Arguments, both for and against, to this question must be submitted to Beth Evans, Town Clerk, **in electronic format at bethevens@dhaz.gov before 6:00 p.m., Arizona time on August 18, 2022**. Arguments are limited to 300 words and must contain the [sworn statement](#) of each person sponsoring it and a deposit of \$55.00 for cost of printing the argument in the Publicity Pamphlet. If the argument is sponsored by an organization, it shall contain the [sworn statement](#) of two executive officers of the organization, or if sponsored by a political committee, it shall contain the [sworn statement](#) of the committee's chairman or treasurer. Please contact the Town Clerk at 928-632-7362 with questions.
